Good and Cheap Leanne Brown 2015-07-14 A perfect and irresistible idea: A cookbook filled with delicious, healthful recipes created for everyone on a tight budget. While studying food policy as a master's candidate at NYU, Leanne Brown asked a simple yet critical question: How well can a person eat on the \$4 a day given by SNAP, the U.S. government's Supplemental Nutrition Assistance Program informally known as food stamps? The answer is surprisingly well: Broiled Tilapia with Lime, Spicy Pulled Pork, Green Chile and Cheddar Quesadillas, Vegetable Jambalaya, Beet and Chickpea Salad—even desserts like Coconut Chocolate Cookies and Peach Coffee Cake. In addition to creating nutritious recipes that maximize every ingredient and use economical cooking methods, Ms. Brown gives tips on shopping; on creating pantry basics; on mastering certain staples—pizza dough, flour tortillas—and saucy extras that make everything taste better, like spice oil and tzatziki; and how to make fundamentally smart, healthful food choices. The idea for Good and Cheap is already proving itself. The author launched a Kickstarter campaign to self-publish and fund the buy one/give one model. Hundreds of thousands of viewers watched her video and donated \$145,000, and national media are paying attention. Even high-profile chefs and food writers have taken note—like Mark Bittman, who retweeted the link to the campaign; Francis Lam, who called it “Terrific!”; and Michael Pollan, who cited it as a “cool kickstarter.” In the same way that TOMS turned inexpensive, stylish shoes into a larger do-good movement, Good and Cheap is poised to become a cookbook that every food lover with a conscience will embrace.

The Leader in Me Stephen R. Covey 2012-12-11 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B. Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

The Day You Begin \_ Jacqueline Woodson 2018-08-28 A #1 NEW YORK TIMES BESTSELLER! Featured in its own episode in the Netflix original show Bookmarks: Celebrating Black Voices! National Book Award winner Jacqueline Woodson and two-time Pura Belpré Illustrator Award winner Rafael López have teamed up to create a poignant, yet heartening book about finding courage to connect, even when you feel scared and alone. There will be times when you walk into a room and no one there is quite like you. There are many reasons to feel different. Maybe it's how you look or talk, or where you're from; maybe it's what you eat, or something just as random. It's not easy to take those first steps into a

place where nobody really knows you yet, but somehow you do it. Jacqueline Woodson's lyrical text and Rafael López's dazzling art reminds us that we all feel like outsiders sometimes—and how brave it is that we go forth anyway. And that sometimes, when we reach out and begin to share our stories, others will be happy to meet us halfway. (This book is also available in Spanish, as *El Día En Que Descubres Quién Eres!*)

**Richard Brinsley Sheridan** Linda Kelly 2012-10-04 The first night of Richard Brinsley Sheridan's *The School for Scandal*, on 8 May 1777, was one of the great dates in theatrical history. From then on, Sheridan was launched into eighteenth-century society, as much at home in the salons of the Duchess of Devonshire and the Prince of Wales as in the taverns and coffee-houses around Drury Lane. Sheridan's comedies were all written by the time he was twenty-eight. For the next thirty years he was wholly involved in his twin careers as manager of the Drury Lane theatre and Member of Parliament. At a time when politics were dominated by a few aristocratic families, he rose above his poverty to become one of the greatest parliamentary figures of the age. In the theatre, he presided over one of the most brilliant periods in the history of the English stage. Drawing on a wide variety of sources, Kelly gives a comprehensive picture of Sheridan's tempestuous career and chaotic private life. For all his faults, his charm was irresistible - 'there has been nothing like it since the days of Orpheus,' wrote Byron. It is charm that illuminates her narrative, bringing Sheridan to life. 'I can imagine no better biography of this talented, dynamic, impossibly unreliable firework of a man.' Victoria Glendinning, *Daily Telegraph*

**What Works in Girls' Education** Gene B Sperling 2015-09-29 Hard-headed evidence on why the returns from investing in girls are so high that no nation or family can afford not to educate their girls. Gene Sperling, author of the seminal 2004 report published by the Council on Foreign Relations, and Rebecca Winthrop, director of the Center for Universal Education, have written this definitive book on the importance of girls' education. As Malala Yousafzai expresses in her foreword, the idea that any child could be denied an education due to poverty, custom, the law, or terrorist threats is just wrong and unimaginable. More than 1,000 studies have provided evidence that high-quality girls' education around the world leads to wide-ranging returns: Better outcomes in economic areas of growth and incomes Reduced rates of infant and maternal mortality Reduced rates of child marriage Reduced rates of the incidence of HIV/AIDS and malaria Increased agricultural productivity Increased resilience to natural disasters Women's empowerment What Works in Girls' Education is a compelling work for both concerned global citizens, and any academic, expert, nongovernmental organization (NGO) staff member, policymaker, or journalist seeking to dive into the evidence and policies on girls' education.

Invisible Child Andrea Elliott 2021-10-05 PULITZER PRIZE WINNER • A "vivid and devastating" (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott "From its first indelible pages to its rich and startling conclusion, Invisible Child had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths."—Ayad Akhtar, author of Homeland Elegies ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In Invisible Child, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter "to protect those who I love." When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's Invisible Child reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

The Purpose of Power Alicia Garza 2020-10-22 A Must-Read Book of 2020 - TIME 'Should be read around the world.' Ibram X. Kendi, author of How to Be an Antiracist 'Garza is ferociously smart and laser-focused... her passion is infectious.' Guardian \_\_\_\_\_ Black Lives Matter began as a hashtag when Alicia Garza wrote what she calls 'a love letter to Black people' on Facebook. But hashtags don't build movements, she tells us. People do. Interwoven with Garza's experience of life as a Black woman, The Purpose of Power is the story of how she responded to the persistent message that Black lives are of less value than white lives by galvanizing people to create change. It's an insight into grass roots organizing to deliver basic needs - affordable housing, workplace protections, access to good education - to those locked out of the economy by racism. It is an attempt not only to make sense of where Black Lives Matter came from but also to understand the possibilities that Black Lives Matter and movements like it hold for our collective futures. Ultimately, it's an appeal to hearts and minds, demanding that we think about our privileges and prejudices and ask how we might contribute to the change we want to see in the world. \_\_\_\_\_ 'Alicia Garza combines immense wisdom with political courage to inspire a new generation of activists, dreamers and leaders... People like Alicia have been speaking up for decades. If we want to turn protest into substantive change, it's about time we finally listened.' David Lammy, MP 'Insightful, compelling and necessary.' Bryan Stevenson, author of Just Mercy
