Criminal Law for Criminologists Noel Cross 2020-03-25 Criminal Law for Criminologists uses theoretical and practical research to bridge the gap between 'the law in the books' (criminal law doctrine) and 'the law in action' (criminal justice process). It introduces the key policies and principles that drive criminal law in England and then explains the law itself in terms of relevant statute and case law. Starting with an outline of the basic principles and theories of criminal law and criminal justice, the author goes on to discuss: Criminal law and criminal justice in historical perspective, General principles of criminal law, including actus reus and mens rea, Specific types of criminal offence, including property, homicide, sexual, public order and drug offences, An overview of defences to crime, An appendix outlining essential legal skills. In examining the links between the worlds of criminal law and criminal justice, Criminal Law for Criminologists brings a fresh perspective to this field of research. Written in a clear and direct style, this book will be essential reading for students of criminology, criminal justice, law, cultural studies, social theory, and those interested in gaining an introduction to criminal law.

Protecting Your Children Online Kimberly A. McCabe, PhD, professor of criminology, University of Lynchburg 2017-09-15 Children are very vulnerable and perfect targets to internet crimes, with that new technology presents complex challenges for law enforcement agencies and victim service providers. This book provides parents with practical advice to combat internet crimes by identifying the types, risk factors and explanations.

Criminology Today Frank Schmalleger 2018-01-23 For courses in criminology. A thorough, student-friendly introduction to criminology With a hallmark theme of social problems versus individual responsibility, Criminology Today: An Integrative Introduction prompts students to think critically about the causes of crime and the link between crime theories and policies. Real-life stories and up-to-date issues and examples bring to life both historical and modern criminological approaches. The 9th edition provides more coverage of terrorism and cyberterrorism, including an overview of the many types of terrorist groups and the findings and recommendations of special committees and government bodies. Criminology Today: An Integrative Introduction , 9 th Edition, is also available via Revel(tm), an interactive learning environment that enables students to read, practice, and study in one continuous experience.

Murder City Michael Arntfield 2015-06-09 Like the mythic cities of Gotham or Gomorrah, London, Ontario was for many years an unrivalled breeding ground of depravity and villainy, the difference being that its monsters were all too real. In its coming to inherit the unwanted distinction of being the serial killer capital of not just Canada—but apparently also the world during this dark age in the city's sordid history—the crimes seen in London over this quarter-century period remain unparalleled and for the most part unsolved. From the earliest documented case of homicidal copycatting in Canada, to the fact that at any given time up to six serial killers were operating at once in the deceptively serene "Forest City," London was once a place that on the surface presented a veneer of normality when beneath that surface dark things would whisper and stir. Through it all, a lone detective would go on to spend the rest of his life fighting against impossible odds to protect the city against a tidal wave of violence that few ever saw coming, and which to this day even fewer choose to remember. With his death in 2011, he took these demons to his grave with him but with a twist—a time capsule hidden in his basement, and which he intended to one day be opened. Contained inside: a secret cache of his diaries, reports, photographs, and hunches that might allow a new generation of sleuths to pick up where he left off, carry on his fight, and ultimately bring the killers to justice—killers that in many cases are still out there. Murder City is an explosive book over fifty years in the making, and is the history of London, Ontario as never told before. Stranger than fiction, tragic, ironic, horrifying, yet also inspiring, this is the true story of one city under siege, and a book that marks a game changer for the true crime genre.

Illuminating Social Life Peter Kivisto 2011 Illuminating Social Life has enjoyed increasing popularity with each edition. It is the only book designed for undergraduate teaching that shows today's students how classical and contemporary social theories can be used to shed new light on such topics as the internet, the world of work, fast food restaurants, shopping malls, alcohol use, body building, sales and service, and new religious movements. A perfect complement for the sociological theory course, it offers 13 original essays by leading scholars in the field who are also experienced undergraduate theory teachers. Substantial introductions by the editor link the applied essays to a complete review of the classical and modern social theories used in the book.

Criminology (Justice Series) Frank Schmalleger 2017-01-09 This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. For courses in Criminology Brief. Affordable. Visual. Criminology provides an affordable, thought-provoking look at criminology that uses clear writing and eye-catching visuals to get your students straight to the important concepts. By focusing on the core concepts, students will gain true understanding of the material, without becoming overwhelmed with unnecessary information. The book's conversation-starting pedagogy encourages active participation in learning, moving students beyond memorization by engaging them in the latest research findings and current events shaping the field. The Fourth Edition includes updated statistics, an entirely new chapter on victims and victimization, revised Learning Outcomes, and new Putting Criminology to Work boxes which examine evidence-based evaluations of a number of important crime prevention programs. Criminology, Fourth Edition is also available via Revel™, an interactive learning environment that enables students to read, practice, and study in one continuous experience.

Crime Control Policy: Oxford Bibliographies Online Research Guide Oxford University Press 2010-05-01 This ebook is a selective guide designed to help scholars and students of criminology find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related. A reader will discover, for instance, the most reliable introductions and overviews to the topic, and the most important publications on various areas of scholarly interest within this topic. In criminology, as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information, and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from Oxford Bibliographies Online: Criminology, a dynamic, continuously updated, online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of criminology. Oxford Bibliographies Online covers most subject disciplines within the social science and humanities, for more information visit www.aboutobo.com.

The Psychology of Criminal Conduct D.A. Andrews 2014-09-19 This book provides step-by-step procedures to help police administrators execute their duties and fulfill their responsibilities more effectively, efficiently and productively. Divided into sections-behavioral aspects of police management, functional aspects of police management, and modern police management: major issues-it introduces the reader to a broad range of topics with which all police managers should be familiar.

Criminology: Theory, Research, and Policy Gennaro F. Vito 2011-09-29 Ideal for allied health and pre-nursing students, Alcamos Fundamentals of Microbiology, Body Systems Edition, retains the engaging, student-friendly style and active learning approach for which award-winning author and educator Jeffrey Pommerville is known. It presents diseases, complete with new content on recent discoveries, in a manner that is directly applicable to students and organized by body system. A captivating art program, learning design format, and numerous case studies draw students into the text and make them eager to learn more about the fascinating world of microbiology.

Sentencing and Criminal Justice Andrew Ashworth 2010-02-04 Andrew Ashworth expertly examines the key issues in English sentencing policy and practice including the mechanisms for producing sentencing guidelines. He considers the most high-profile stages in the criminal justice process such as the Court of Appeal's approach to the custody threshold, the framework for the sentencing of young offenders and the abiding problems of previous convictions in sentencing. Taking into account the Criminal Justice and Immigration Act 2008 and the Coroners and Justice Act 2009, the book's inter-disciplinary approach places the legislation and guidelines on sentencing in the context of criminological research, statistical trends and theories of punishment. By examining the law in relation to elements of the wider criminal justice system, including the prison and probation services, students gain a rounded perspective on the relevant principles and problems of sentencing and criminal justice.

Introduction to Criminology Frank E. Hagan 2015-12-09 Written by active researcher and bestselling author, Frank E. Hagan, Introduction to Criminology, Ninth Edition is a comprehensive introduction to the study of criminology, focusing on the vital core of criminological theory— theory, method, and criminal behavior. With more attention to crime typologies than most introductory texts, Hagan investigates all forms of criminal

activity, such as organized crime, white collar crime, political crime, and environmental crime. The methods of operation, the effects on society and policy decisions, and the connection between theory and criminal behavior are all explained in a clear, accessible manner. All statistics, tables, and figures have been updated, as have the photographs, supplements, and audio and video packages in the new edition to make the material most relevant for your course.

Handbook of Asian Criminology Jianhong Liu 2012-12-09 The Handbook of Asian Criminology aims to be a key reference for international scholars with an interest in the broad theme of international criminology in general, and the Asian region in particular. Contextualization is a key theme in this book. The role of context is often underemphasized in international criminology, so the Handbook of Asian Criminology's premise that crime and the responses to it are best understood as deeply embedded in the cultural specificity of the environment which produces them will play a key role throughout the work. Attention will be given to country- and region specific attitudes towards crime and punishment.

Criminology Frank Schmalleger 2019-01-31 For courses in criminology. Brief. Affordable. Visual. Criminology engages students in a study of criminology using interactive components and eye-catching visuals. The text weaves together theory and current events to offer a practical introduction that's both relevant and interesting. Cases in every chapter along with a wealth of critical-thinking features provoke discussion and offer ample opportunities to apply new knowledge. The 5th edition explores new theories of criminology, considers the impact of the most pressing issues today, and adds web links to YouTube® videos discussing connections between crime and the economy. Criminology, 5th Edition, is also available via Revel(TM), an interactive learning environment that enables students to read, practice, and study in one continuous experience.

The Color of Justice: Race, Ethnicity, and Crime in America Samuel Walker 2016-12-05 Comprehensive and balanced, THE COLOR OF JUSTICE: RACE, ETHNICITY, AND CRIME IN AMERICA is the definitive introduction to current research and theories of racial and ethnic discrimination within America's criminal justice system. The sixth edition covers the best and the most recent research on patterns of criminal behavior and victimization, immigration and crime, drug use, police practices, court processing and sentencing, unconscious bias, the death penalty, and correctional programs, giving students the facts and theoretical foundation they need to make their own informed decisions about discrimination within the system. Uniquely unbiased, THE COLOR OF JUSTICE makes every effort to incorporate discussion of all major race groups found in the United States. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Criminology Revel Access Card Frank Schmalleger 2019-06-10 For courses in criminology. Brief. Affordable. Visual. Revel(TM) Criminology engages students in a study of criminology using interactive components and eye-catching visuals. The text weaves together theory and current events to offer a practical introduction that's both relevant and interesting. The Penal System Michael Cavadino 2019-12-02 Now in its Sixth Edition, this remains the most comprehensive and authoritative book on the penal system, providing students with an incisive, critical account of the punitive, managerial and humanitarian approaches to criminal justice. Fully updated to cover the most recent changes in the Criminal Justice System, the new edition: Outlines contemporary policy debates on sentencing, staffing, youth custody and overcrowding. Explores growing inequalities in the criminal justice system including issues of race, religion, gender and sexuality, with new content on faith, and transgender prisoners. Considers the impact of privatisation on the probation service. Discusses the most recent debates around the parole process, including high-profile cases and attempts at reform. The book is supported by online resources for lecturers and students, including chapter PowerPoints, sample syllabus, summaries of key legislative acts and bills, official reports, a list of recommended further reading for each chapter, and links to important Penal Agencies and Organisations, Law Reform Organisations, and other useful academic sites. Essential reading for students of criminal justice and criminology, studying penology, punishments and the penal system.

Criminal Justice Steven P. Lab 2013-02-28 A flexible and cost-effective alternative to larger, overwhelming texts, Criminal Justice: The Essentials, Third Edition, covers all the fundamental issues faced by law enforcement, the courts, corrections, and juvenile justice, leaving detailed specifics and tangential topics to the discretion of instructors to cover in class.

Critical Criminology Today Vincenzo Ruggiero 2021-08-09 What survives of the notions, principles and values of critical criminology? Faced with contexts that could not be more dramatically different to those fostering critical approaches to crime and its control, what is left of the radical theories and practical initiatives that characterized it in the 1970s? This book argues that critical criminology today can be reimagined if new concepts are elaborated, which bring academic efforts close to the practices of social movements. Building on an original collection of anti-hegemonic essays focused on specific criminological areas, including femicide, organized crime, drug use, punishment, state-corporate terrorism and financial crime, this book identifies the radical potential inherent in the choice of areas, topics and variables that critical criminologists can address today. In discussing concepts of distance, power, mercy and troublemaking, this book considers the relationship between critical criminology, social justice and activism. An accessible and compelling read, this book will appeal to all those engaged with critical criminology, sociology and cultural studies.

Introduction to Forensic Psychology Curt R. Bartol 2018-01-16 "The text provides a great, general overview of different areas of criminal and civil forensic psychology." —Apryl Alexander, PsyD, Clinical Assistant Professor, University of Denver Written by authors with extensive experience in the field and in the classroom, Introduction to Forensic Psychology: Research and Application, Fifth Edition demonstrates how to analyze psychological knowledge and research findings and then apply these findings to the civil and criminal justice systems. Focusing on research-based forensic practice and practical application, this text uses real-life examples and case law discussions to define and explore forensic psychology. This text introduces students to emerging specializations within forensic psychology, including investigative psychology, family forensic psychology, and police and public safety psychology. Students will develop a multicultural perspective with an ethnic and racial sensitivity, which is critical to the successful practice of forensic psychology. New to the Fifth Edition: Updated statistics, research, and case law, such as recent Aid in Dying legislation, as well as analysis of recent events, help students see the real-world applications to current events. Updated Focus boxes empower students to dig deeper into current issues, such as mental health courts, community-oriented policing, child abduction, hate crimes, the death penalty, and more. All Focus boxes also contain discussion questions for students to debate in a classroom setting. All new From My Perspective boxes provide students with information about career choices as well as helpful advice about pursuing their goals. Increased attention to immigration-related issues offers students additional insights into immigration proceedings and ways to consult with the courts. Additional coverage of human trafficking and online sexual predators enables students to better understand the psychological effects on victims and the services available to help. Current research on violent video games, cyberbullying, and cyberstalking provides real examples of the effects of violent media. New research on juveniles allows students to see the important contributions of neuropsychologists, particularly in terms of brain development in adolescents and promising community-based treatment approaches for juveniles. SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review, study, and further exploration, keeping both instructors and students on the cutting edge of teaching and learning. Criminology Stephen Jones 2017-04-06 The new sixth edition of Criminology provides students with a comprehensive analysis of the major criminological theories. Drawing on a wide range of research in order to consider both sociological and psychological explanations of criminal behaviour, Jones poses the important questions, inviting readers to critically engage with the subject. Thoroughly referenced and written in a clear and accessible style, this book provides the firm foundation of knowledge that students need to develop a strong and secure understanding of criminological theory.

The Handbook of the History and Philosophy of Criminology Ruth Ann Triplett 2018-01-04 "This book provides students, scholars, and criminologists with a truly a global perspective on the theory and practice of criminology throughout the centuries and around the world. In addition to chapters devoted to the key ideas, thinkers, and moments in the intellectual and philosophical history of criminology, it features in-

depth coverage of the organizational structure of criminology as an academic discipline world-wide"--

Criminology Larry J. Siegel 2011 Concise, current, and completely affordable, best-selling **CRIMINOLOGY: THE CORE**, International Edition delivers cutting-edge coverage, captivating real-life stories, and powerful learning tools in a succinct, student-friendly paperback.

Crime and Justice Derek Dalton 2016 *Crime and Justice: a Guide to Criminology* has been for many years a leading Australian textbook for undergraduate and postgraduate students approaching this subject for the first time. The contributors are well known research active academics in Australia who contribute to the criminological debate at national and international level. Fully revised and updated, this 5th edition offers a comprehensive guide in criminal justice and criminology that is well suited to a dual-semester approach. It covers a wide range of topics including: different forms of crimes .. from street crime to state crime and international crimes; who commits crimes and who are the victims of crimes; and how society responds to crime. This book offers a balance between critical and administrative criminological traditions to add to the discourse of crime and justice in the twenty-first century.

Defendant Rights Hamid R. Kusha 2004 A unique handbook comparing defendant rights in legal traditions around the world in light of fast-changing developments in U.S. law since September 11, 2001, and the USA PATRIOT Act.

Criminal Justice Today Schmalleger 2002-07

Introductory Criminology Marcus Felson 2017-12-04 *Introductory Criminology: The Study of Risky Situations* takes a unique and intuitive approach to teaching and learning criminology. Avoiding the fragmentation of ideas commonly found in criminology textbooks, Marcus Felson and Mary A. Eckert develop a more practical, readable structure that engages the reader and enhances their understanding of the material. Their descriptive categories, simultaneously broad and realistic, serve better than the usual philosophical categories, such as "positivism" and "classicism," to stimulate students' interest and critical thinking. Short chapters, each broken into 5-7 sections, describe situations in which crime is most likely to happen, and explain why they are risky and what society can and can't do about crime. They create a framework to organize ideas and facts, and then link these categories to the leading theories developed by criminologists over the last 100 years. With this narrative to guide them, students remember the material beyond the final exam. This fresh new text was created by two professors to address the main points they encounter in teaching their own criminology courses. Problems solved include: reluctant readers, aversion to abstract thinking, fear of theory, and boredom with laundry lists of disconnected ideas. Felson, a leader in criminology theory with a global reputation for innovative thinking, and Eckert, an experienced criminal justice researcher, are uniquely qualified to reframe criminology in a unified arc. By design, they offer abstractions that are useful and not overbearing; their prose is readable, and their concepts are easy to comprehend and remember. This new textbook challenges instructors to re-engage with theory and present the essence of criminological thought for adult learners, coaching students to grasp the concept before any label is attached and allowing them to emerge with deeper understanding of what each theory means and offers. Lean, with no filler or fluff like stock photos, *Introductory Criminology* includes the authors' graphics to crystallize and expand concepts from the text.

Criminology Gennaro F. Vito 2006 *Across America, crime is a consistent public concern. The authors have produced a comprehensive work on major criminological theories, combining classical criminology with new topics, such as Internet crime and terrorism. The text also focuses on how criminology shapes public policy.*

The Oxford Handbook of Criminology Rod Morgan 2012-04-12 *With contributions from leading academics, The Oxford Handbook of Criminology provides an authoritative collection of chapters covering the topics studied on criminology courses. Each chapter details relevant theory, recent research, policy developments, and current debates, and includes extensive references to aid further research.*

Crime & Criminology Robert Douglas White 2008-09-25 *This first Canadian edition of Crime and Criminology: An Introduction combines Canadian empirical research, policy, and legal issues to create a thoroughly Canadian text. Ideal for university and college students enrolled in introductory criminological theory courses, the book offers a solid foundation to criminology which unites traditional theories of crime with contemporary approaches and perspectives. By relating theory to everyday Canadian examples and events, students gain a solid grounding in the major theoretical considerations of the nature and causes of criminal behaviour. New discussion on ecology and environmental theories are unique to this edition. Updated references reflect recent research in emerging fields of criminology.*

The 'Million Dollar Inmate' Heather Ahn-Redding 2007-12-17 *What kinds of beliefs do most Americans hold about crime and violence, and where do these beliefs come from? What kinds of people are sent to prison, are the average inmates dangerous criminals, or are they involved in low-level drug-related, property, or public-order offenses? Who is ultimately paying for their time in prison? The 'Million Dollar Inmate' highlights the financial and social costs of America's incarceration of non-violent offenders. With its focus on the specific population of non-violent offenders, this book provides a unique, sociological approach to the problem of handling such a large population at such tremendous costs paid, for the most part, by taxpayers. Basing her insight on extensive research into the origins of America's correctional systems, the visible and non-visible costs incurred by the practice of incarcerating non-violent offenders, and the goals of the prison system, Heather Ahn-Redding dares to expose flaws in current correctional practices and suggest ways they can be not only changed but also re-envisioned. Ideally suited to researchers, advanced undergraduate students, graduate students, and policymakers.*

Criminal Justice Frank Schmalleger 2017-01-09 *This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may be packaged with the bound book. For courses in Introduction to Criminal Justice The gold standard for criminal justice texts Criminal Justice: A Brief Introduction, Twelfth Edition, offers a contemporary, authoritative look at crime in America with a focus on police, courts, and corrections. To make information resonate with students, Schmalleger asks readers to consider the balance between freedom and security issues and evaluate the strengths and weaknesses of the American justice system as it adapts to cultural, political, and societal changes. A wealth of Internet resources along with author tweets (@schmalleger) extends chapter material and provides up-to-the minute information on this ever-evolving field. Its unifying theme, unmatched timeliness, and coverage of trends and technology make this text the standard by which all other brief texts are judged. Criminal Justice, Twelfth Edition is also available via Revel™, an interactive learning environment that enables students to read, practice, and study in one continuous experience. Learn more.*

Penology Karen Harrison 2019-11-08 *This textbook considers the full breadth of the criminal justice system, going beyond prisons to cover other punishments such as out-of-court disposals and community penalties, as well as issues around rehabilitation and reintegration. It offers a holistic and contemporary account of the penal system in England and Wales. Helping students to understand the ever-changing environment of penal policy and practice, this book not only provides a strong foundation in penal theory but also has a strong focus on actual practice. Author Karen Harrison draws on a number of interviews with people who work within or for agencies associated with the penal system, as well as accounts of prison visits that build a picture of current prison life. Packed with helpful features, Penology includes Spotlight profiles of the penal system in countries across the globe. The text also covers a range of specific offenders, examining not just white adult men but women offenders, children and young people and BAME groups. This is essential reading for students in England and Wales studying penology, punishment and prisons at undergraduate or postgraduate level. It's also offers important insights for students of criminology, criminal justice, law and social science.*

Revel for Criminology Today Frank Schmalleger 2018-07-25 *For courses in criminology. A thorough, student-friendly introduction to criminology With a hallmark theme of social problems versus individual responsibility, Revel(TM) Criminology Today: An Integrative Introduction prompts students to think critically about the causes of crime and the link between crime theories and policies. Real-life stories and up-to-date issues and examples bring to life both historical and modern criminological approaches. In addition to this access card, you will need a course invite link, provided by your instructor, to register for and use Revel.*

Canadian Criminology Today Frank Schmalleger 2001 *Canadian Criminology Today has been specially tailored to meet the needs of the students preparing for careers in the Canadian Criminal Justice system, including those enrolled in police foundations programs in Ontario. Instructors and students in other university and college programs will also find it an invaluable overview of the discipline. The Canadian edition of Frank Schmalleger's pacesetter text presents a realistic view of crime in Canada, focusing on explanations of crime and deviance and the application of this theory to "real life" examples of criminal behaviour. It stresses the consequences of criminology theory for social policy, describes the practical issues associated with crime control, and discusses Canadian social policies focussing on prevention, treatment, rehabilitation, and victim restoration.*

Criminal Justice Today Frank Schmalleger 2016-01-05 *The gold standard for introductory criminal justice texts. Best-selling and time-tested, Criminal Justice Today: An Introductory Text for the 21st Century, continues to lead the field as the gold-standard for introductory criminal justice texts. Its comprehensive coverage focuses on the crime picture in America and on the three traditional elements of the criminal justice system: police, courts, and corrections. Building upon the theme of individual freedom versus personal security, it challenges students to evaluate the strengths and weaknesses of the American justice system as it adapts to the needs of a complex and rapidly changing society. An instructor and student favorite, the Fourteenth Edition continues its tradition of thorough analysis of today's issues in an easy-to-read format. Criminal Justice Today, 14/e is also available via REVEL(tm), an interactive learning environment that enables students to read, practice, and study in one continuous experience. Learn more.*

Criminology (Justice Series) Frank Schmalleger 2015-02-26 For courses in Criminology This text is part of the Justice Series Brief. Affordable. Visual. Criminology, Third Edition provides an affordable, thought-provoking look at criminology that uses clear writing and eye-catching visuals to get your students straight to the important concepts. By focusing on these core concepts, students will gain true understanding of the material, without becoming overwhelmed with unnecessary information. With an approach that focuses on social problems versus social responsibility, students will learn to think critically about the causes of crime and see the link between crime theories and crime policies. The book's conversation-starting pedagogy encourages active participation in learning, moving students beyond memorization by engaging them in the latest research findings and current events shaping the field.

The Re-Evolution of American Street Gangs Dale L. June 2015-09-25 The problem of gangs and gang subculture is a growing threat to the stability of neighborhoods and entire communities. During the past two decades, gang members have increasingly migrated from large urban centers to suburban areas and other countries. This book addresses the intricacies and diversities of street gangs, drawing on the expertise of h
Criminal Law Today Frank Schmalleger 2014-08-06 Bringing criminal law to life. Criminal Law Today, Fifth Edition, brings criminal law to life by relating it to real stories from today's headlines. The text's approach is strongly influenced by the belief that the law has always been, and remains, a vital policy-making tool. As a topic for study and discussion, the nature and life of the law is more important today than ever before. The text highlights the challenges that face the law as it continues to adapt to the needs of a complex and rapidly changing society and features a balanced text/casebook approach that provides a lively introduction to criminal law. Effective in-text learning tools give students the resources they need to master the material presented in the text. MyCJLab was designed to meet the needs of today's instructors and students. MyCJLab provides instructors with a rich and flexible set of course materials, along with course management tools that make it easy to deliver all or a portion of your course online. MyCJLab provides students with a personalized interactive learning environment, where they can learn at their own pace and measure their progress.
