**Deadlocked Charlaine Harris 2012-05-01** In the penultimate novel in the #1 New York Times bestselling series—the inspiration for the HBO® original series True Blood—Sookie Stackhouse must work with her first love to clear her current undead flame of murder... Felipe de Castro, the vampire King of Louisiana (and Arkansas and Nevada), is in town. It's the worst possible time for a human body to show up in Eric Northman's front yard—especially the body of a woman whose blood he just drank. Now it's up to Sookie and Bill Compton, the official Area Five investigator, to solve the murder. Sookie thinks that, at least this time, the dead girl's fate has nothing to do with her. But she is wrong. She has an enemy, one far more devious than she would ever suspect, who has set out to make Sookie's world come crashing down.

**Dead As A Doornail** Charlaine Harris 2009-07-30 Sookie's got just a month, before the next full moon, to find out who wants her brother dead - and to stop the fiend! Sookie Stackhouse enjoys her life, mostly. She's a great cocktail waitress in a fun bar; she has a love life, albeit a bit complicated, and most people have come to terms with her telepathy. The problem is, Sookie wants a quiet life - but things just seem to happen to her and her friends. Now her brother Jason's eyes are starting to change: he's about to turn into a were-panther for the first time. She can deal with that, but her normal sisterly concern turns to cold fear when a sniper sets his deadly sights on the local changeling population. She afraid not just because Jason's at risk, but because his new were-brethren suspect Jason may be the shooter. Sookie has until the next full moon to find out who's behind the attacks - unless the killer decides to find her first. The Sookie Stackhouse books are delightful Southern Gothic supernatural mysteries, starring Sookie, the telepathic cocktail waitress, and a cast of increasingly colourful characters, including vampires, werewolves and things that really do go bump in the night.

**Dead of Night** Charlaine Harris 2013-09-24 Presents two tales of the supernatural, one about a three-hundred-year-old redheaded vampire, the other about a woman who believes the devil has murdered her sister.

**Club Dead** Charlaine Harris 2003-04-29 Bon Temps's psychic waitress takes a dangerous road trip in the third novel in the #1 New York Times bestselling Sookie Stackhouse series—the inspiration for the HBO® original series True Blood. There's only one vampire Sookie Stackhouse is involved with (at least voluntarily) and it's Bill Compton. But recently he's been a little distant—in another state, distant. Then his sinister and sexy boss Eric Northman tells Sookie where she might find him. Next thing she knows, she's off to Jackson, Mississippi, to mingle with the under-underworld at Club Dead, a dangerous little haunt where the elite of vampire society can go to chill out and suck down some Type-O. But when Sookie finally finds Bill—caught in an act of serious betrayal—she's not sure whether to save him...or sharpen some stakes.

**True Blood Omnibus III** Charlaine Harris 2012-04-09 The third Sookie Stackhouse Omnibus: a book with bite! Blonde, bubbly Sookie Stackhouse loves her job as a cocktail waitress in Merlotte's, in her home town of Bon Temps. Whichever species you are, life is never boring in Bon Temps, Louisiana!

**Dead to the World** Charlaine Harris 2011 Sookie Stackhouse, a waitress with a talent for reading minds, comes to the aid of Eric, a sexy vampire with amnesia, as she tries to save him from whoever took his memory and who now wants his life.

**The Long List Anthology Volume 2** Ann Leckie 2016-12-10 This is the second annual edition of the Long List Anthology. Every year, supporting members of WorldCon nominate their favorite stories first published during the previous year to determine the top five in each category for the final Hugo Award ballot. Between the announcement of the ballot and the Hugo Award ceremony at WorldCon, these works often become the center of much attention (and contention) across fandom. But there are more stories loved by the Hugo voters, stories on the longer nomination list that WSFS publishes after the Hugo Award ceremony at WorldCon. The Long List Anthology Volume 2 collects 18 fiction stories from that nomination list, along with 2 essays from the book *Letters to Tiptree* that was also on the nomination list, totaling over 500 pages of fiction by writers from all corners of the world. Within these pages you will find a mix of science fiction and fantasy and horror, the dramatic and the lighthearted, from android caretakers to Lovecraftian romances, from adventures to quests and more. There is a wide variety of styles and types of stories here, and something for everyone. The stories included are: "Damage" by David D. Levine "Pockets" by Amal El-Mohtar "Today I Am Paul" by Martin L. **Grave Surprise** Charlaine Harris 2010-06-10 A bolt of lightning struck Harper Connelly when she was 15, leaving her with a strange spider web of red on her torso and right leg, episodes of weakness, shakes and headaches - and an ability to find dead people. Harper is summoned to Memphis to demonstrate her unique talent, but there are still plenty of sceptics, even as Harper stands atop a grave and announces there are two bodies buried there. The police are convinced there's something fishy going on when the grave is opened to reveal the centuries-dead remains of a man, which they'd expected (that being his grave, after all) and a dead girl, which no one expected - except Harper, of course. And suspicions are raised even further because Harper had failed to find eleven-year-old Tabitha Morgenstern when she was abducted two years before. Harper and Tolliver need to find the real killer to prove Harper's innocence, especially after their nocturnal visit to the cemetery in hopes that Harper can sense something more is followed by the discovery, the following morning, of a third dead body in the grave ...

**Grave Secret** Charlaine Harris 2010-01-21 When she was 15, Harper Connelly was struck by a bolt of lightning, which left her with a spiderweb of red over her body, headaches, and episodes of weakness. Sometimes her right hand shakes. And she can find dead people. It's taken a while, but at last Harper's pretty happy with her life: she's making a living, using her unique talent to help people, and she's got a lover - her stepbrother Tolliver. That creeps some people out, but though they grew up together, and got each other through the real bad times - their parents' drug-use, the abuse, the disappearance of Harper's elder sister Cameron - they're not blood relatives. Then Tolliver's dad arrives on the scene, seeking forgiveness for the sins of their youth, and the police get a tip-off that after all these years, Cameron's been spotted in a mall. With all this going on Harper realises life is getting a little complicated, but she doesn't expect those complications to include Tolliver getting shot, or watching a cop die taking a bullet for her. **Dead To The World** Charlaine Harris 2009-12-07 Sookie comes to the rescue of a naked, amnesiac vampire - and ends up in the middle of a war between witches, werewolves and vampires! Sookie Stackhouse is a small-town cocktail waitress in small-town Louisiana. She's pretty. She does her job well. She keeps to herself - she has only a few close friends, because not everyone appreciates Sookie's gift: she can read minds. That's not exactly every man's idea of date bait - unless they're undead - vampires and the like can be tough to read. And that's just the kind of guy Sookie's been looking for. Maybe that's why, when she comes across a naked vampire on the way home from work, she doesn't just drive on by. He hasn't got a clue who he is, but Sookie has: Eric looks just as scary and sexy - and dead - as the day she met him. But now he has amnesia, he's sweet, vulnerable, and in need of Sookie's help - because whoever took his memory now wants his life. Sookie's investigation into what's going on leads her straight into a dangerous battle between witches, vampires and werewolves. But there could be even greater danger - to Sookie's heart, because the kinder, gentler Eric is very hard to resist. The Sookie Stackhouse books are delightful Southern Gothic supernatural mysteries, starring Sookie, the telepathic cocktail waitress, and a cast of increasingly colourful characters, including vampires, werewolves and things that really do go bump in the night.
