The Eleanor Roosevelt Papers: pt. 1. The human rights years, 1945-1946 Eleanor Roosevelt 2009

The Eleanor Roosevelt Papers ANONIMO 2006-10-01 Human rights. Global relations. The role of women. U.S. politics. Eleanor Roosevelt was a trailblazer in many arenas. Her writings are essential tools to better understand American politics, diplomacy and policy, and the struggle to implement democracy domestically and internationally in the first two-thirds of the 20th century.

Eleanor Roosevelt Geraldine Kidd 2017-11-20 Memorialised as a US heroine and an iconoclastic humanitarian who sought to protect society's marginalised, Eleanor Roosevelt also, at times, disappointed contemporaries and biographers with some of her stances. Examining a period of her life that has not been extensively explored, this book challenges the previously held universality of Eleanor Roosevelt's humanitarianism. The Palestinian question is used as a case study to explore the practical application of her commitment to social justice, and the author argues that, at times, Roosevelt's humanitarianism was illogical, limited and flawed by pragmatism. New insights are provided into Eleanor Roosevelt's human rights activism – its dichotomies, its inspiration, and the effect it had on US relations with the Middle East. This book will appeal to academics working across a range of disciplines including history, diplomatic history, American studies, Middle Eastern studies, US foreign policy, human rights and women's studies.

She was One of Us Brigid O'Farrell 2010 Tells the story of Eleanor Roosevelt's deep and lasting ties to the American labor movement.

The Firebrand and the First Lady Patricia Bell-Scott 2016-02-02 NATIONAL BOOK AWARD NOMINEE • The riveting history of how Pauli Murray—a brilliant writer-turned-activist—and First Lady Eleanor Roosevelt forged an enduring friendship that helped to alter the course of race and racism in America. “A definitive biography of Murray, a trailblazing legal scholar and a tremendous influence on Mrs. Roosevelt.” —Essence In 1938, the twenty-eight-year-old Pauli Murray wrote a letter to the President and First Lady, Franklin and Eleanor Roosevelt, protesting racial segregation in the South. Eleanor wrote back. So began a friendship that would last for a quarter of a century, as Pauli became a lawyer, principal strategist in the fight to protect Title VII of the 1964 Civil Rights Act and a co-founder of the National Organization of Women, and Eleanor became a diplomat and first chair of the United Nations Commission on Human Rights.

A Guide to the Papers of Eleanor Roosevelt, 1933-1945 1986

Eleanor Roosevelt and the Anti-Nuclear Movement Dario Fazzi 2016-12-19 This book explores Eleanor Roosevelt's involvement in the global campaign for nuclear disarmament. Based on an extensive multi-archival research, it assesses her overall contribution to the global anti-nuclear campaign of the early cold war and shows how she constantly tried to raise awareness of the real hazards of nuclear testing. She strove to educate the general public about the implications of the nuclear arms race and, in doing so, she became for many a trustworthy anti-nuclear leader and a reliable voice of conscience.

Hissing Cousins Marc Peyser 2015-03-31 A lively and provocative double biography of first cousins Eleanor Roosevelt and Alice Roosevelt Longworth, two extraordinary women whose tangled lives provide a sweeping look at the twentieth century. When Theodore Roosevelt became president in 1901, his beautiful and flamboyant daughter was transformed into “Princess Alice,” arguably the century's first global celebrity. Thirty-two years later, her first cousin Eleanor moved into the White House as First Lady. Born eight months and twenty blocks apart from each other in New York City, Eleanor and Alice spent a large part of their childhoods together and were far more alike than most historians acknowledge. But their politics and temperaments couldn't have been more distinct. Do-gooder Eleanor was committed to social justice but hated the limelight; acid-tongued Alice, who became the wife of philandering Republican congressman Nicholas Longworth, was an opponent of big government who gained notoriety for her cutting remarks (she famously quipped that dour President Coolidge “looked like he was weaned on a pickle”). While Eleanor revolutionized the role of First Lady with her outspoken passion for human rights, Alice made the most of her insider connections to influence politics, including doing as much to defeat the League of Nations as anyone in elective office. The cousins themselves liked to play up their oil-and-water relationship. “When I think of Frank and Eleanor in the White House I could grind my teeth to powder and blow them out my nose,” Alice once said. In the 1930s they even wrote opposing syndicated newspaper columns and embarked on competing nationwide speaking tours. Blood may be thicker than water, but when the family business is politics, winning trumps everything. Vivid, intimate, and stylishly written, Hissing Cousins finally sets this relationship center stage, revealing the contentious bond between two political trailblazers who short-circuited the rules of gender and power, each in her own way.

If You Ask Me Eleanor Roosevelt 2018-10-09 Experience the timeless wit and wisdom of Eleanor Roosevelt in this annotated collection of candid advice columns that she wrote for more than twenty years. In 1941, Eleanor Roosevelt embarked on a new career as an advice columnist. She had already transformed the role of first lady with her regular press conferences, her activism on behalf of women, minorities, and youth, her lecture tours, and her syndicated newspaper column. When Ladies Home Journal offered her an advice column, she embraced it as yet another way for her to connect with the public. “If You Ask Me” quickly became a lifeline for Americans of all ages. Over the twenty years that Eleanor wrote her advice column, no question was too trivial and no topic was out of bounds. Practical, warm-hearted, and often witty, Eleanor's answers were so forthright her editors included a disclaimer that her views were not necessarily those of the magazines or the Roosevelt administration. Asked, for example, if she had any Republican friends, she replied, “I hope so.” Queried about whether or when she would retire, she said, “I never plan ahead.” As for the suggestion that federal or state governments build public bomb shelters, she considered the idea “nonsense.” Covering a wide variety of topics—everything from war, peace, and politics to love, marriage, religion, and popular culture—these columns reveal Eleanor Roosevelt's warmth, humanity, and timeless relevance.

My Day Eleanor Roosevelt 2009-04-15 “I think Eleanor Roosevelt has so gripped the imagination of this moment because we need her and her vision so completely. . . . She's perfect for us as we enter the twenty-first century. Eleanor Roosevelt is a loud and profound voice for people who want to change the world.” —Blanche Wiesen Cook Named “Woman of the Century” in a survey conducted by the National Women's Hall of Fame, Eleanor Roosevelt wrote her hugely popular syndicated column “My Day” for over a quarter of that century, from 1936 to 1962. This collection brings together for the first time in a single volume the most memorable of those columns, written with singular wit, elegance, compassion, and insight -- everything from her personal perspectives on the New Deal and World War II to the painstaking diplomacy required of her as chair of the United Nations Committee on Human Rights after the war to the joys of gardening at her beloved Hyde Park home. To quote Arthur Schlesinger, Jr., “What a remarkable woman she was! These sprightly and touching selections from Eleanor Roosevelt's famous column evoke an extraordinary personality.” “My Day reminds us how great a woman she was.” —Atlanta Journal-Constitution

The Eleanor Roosevelt Papers: The human rights years, 1945-1948 Eleanor Roosevelt 2007 Volume 1 chronicles Eleanor Roosevelt's development as diplomat, politician, and journalist in the years 1945-1948. It is filled with original writings and speeches that have been annotated and made easily accessible through a comprehensive index. This is part of the Eleanor Roosevelt Papers Project as the first of a five-volume set covering the years 1945-1962.

Eleanor and Hick Susan Quinn 2016-09-27 A warm, intimate account of the love between Eleanor Roosevelt and reporter Lorena Hickok—a relationship that, over more than three decades, transformed both women's lives and empowered them to play significant roles in one of the most tumultuous periods in American history In 1932, as her husband assumed the presidency, Eleanor Roosevelt entered the claustrophobic, duty-bound existence of the First Lady with dread. By that time, she had put her deep disappointment in her marriage behind her and developed an independent life—now threatened by the public role she would be forced to play. A lifeline came to her in the form of a feisty campaign reporter for the Associated Press: Lorena Hickok. Over the next thirty years, until Eleanor's death, the two women carried on an extraordinary relationship: They were, at different points, lovers, confidantes, professional advisors, and caring friends. They couldn't have been more different. Eleanor had been raised in one of the nation's most powerful political families and was introduced to society as a debutante before marrying her distant cousin, Franklin. Hick, as she was known, had grown up poor in rural South Dakota and worked as a servant girl after

she escaped an abusive home, eventually becoming one of the most respected reporters at the AP. Her admiration drew the buttoned-up Eleanor out of her shell, and the two quickly fell in love. For the next thirteen years, Hick had her own room at the White House, next door to the First Lady. These fiercely compassionate women inspired each other to right the wrongs of the turbulent era in which they lived. During the Depression, Hick reported from the nation's poorest areas for the WPA, and Eleanor used these reports to lobby her husband for New Deal programs. Hick encouraged Eleanor to turn their frequent letters into her popular and long-lasting syndicated column "My Day," and to befriend the female journalists who became her champions. When Eleanor's tenure as First Lady ended with FDR's death, Hick pushed her to continue to use her popularity for good—advice Eleanor took by leading the UN's postwar Human Rights Commission. At every turn, the bond these women shared was grounded in their determination to better their troubled world. Deeply researched and told with great warmth, Eleanor and Hick is a vivid portrait of love and a revealing look at how an unlikely romance influenced some of the most consequential years in American history.

Eleanor Roosevelt's Views on Diplomacy and Democracy Dario Fazzi 2020-06-29 "This volume fills a void in current studies of Eleanor Roosevelt. Offering a comprehensive analysis of Roosevelt as a diplomat during the Cold War era, it is particularly insightful in analyzing her position on United States race relations while at the United Nations. It provides a new look at Roosevelt's leadership from an American perspective played out on a global stage."- Maurine H. Beasley, Professor Emerita, University of Maryland College Park, USA "My grandmother was an ardent "small-d" democrat, as well as a Democrat - but she didn't think we were very mature in our living of it! This well-written and illuminating collection of essays, focused on what ER thought it meant to be a global citizen, offers a unique perspective of her views on a host of issues. Let us hope these fresh insights can inspire young people today to construct that better world to which she dedicated much of her life." - Anna Eleanor Roosevelt This book focuses on Eleanor Roosevelt's multifaceted agenda for the world. It highlights her advocacy of human rights, multilateral diplomacy, and transnationalism, and it emphasizes her challenge to gendered norms and racial relations. The essays of this collection describe Eleanor Roosevelt as a public intellectual, a politician, a public diplomat, and an activist. She was, undeniably, one of the protagonists of the twentieth century and a proactive interpreter of the many changes it brought about. She went through two world wars, the harshness of the Great Depression, and the emergence of nuclear confrontation, and she deciphered such crises as the product of misleading nationalism and egoism. Against them, she offered her commitment to people's education as an example of civic engagement, which she considered necessary for the functioning of any democratic order. Such was the world Eleanor Roosevelt envisioned and tried to build – symbolically and practically – one where people, the citizens of the world, may really be at the center of international affairs.

The Eleanor Roosevelt Papers: The human rights years, 1949-1952 Eleanor Roosevelt 2009 Volume 1 chronicles Eleanor Roosevelt's development as diplomat, politician, and journalist in the years 1945-1948. It is filled with original writings and speeches that have been annotated and made easily accessible through a comprehensive index. This is part of the Eleanor Roosevelt Papers Project as the first of a five-volume set covering the years 1945-1962.

The Eleanor Roosevelt Papers Eleanor Roosevelt 2009 Foreword by Senator Hillary Rodham Clinton. Chronicling her development as diplomat, politician and journalist in the years 1945 to 1948, The Eleanor Roosevelt Papers Project: The Human Rights Years is filled with original writings and speeches that have been thoughtfully annotated and made easily accessible through a comprehensive index. Enhanced with more than 130 illustrations and a chronology, Roosevelt's thoughts and experiences are deliberately connected to the wider cultural, political and historical context. This unique collection was developed by The Eleanor Roosevelt Papers Project as the first of a five volume set covering the years 1945 through 1962. In total, this definitive documentary edition of Roosevelt's political writings will be comprised of about 70 percent previously unpublished material that offers key, inside perspective of the United Nations, Cold War politics and the New Frontier.

Eleanor Roosevelt Maurine Hoffman Beasley 2010 The first book devoted to Eleanor Roosevelt's 1933-1945 tenure in the White House--the longest of any first lady. Provides an insightful account of how she merged her private and public lives to transform the ambiguous role of first lady into an important institution of the American political system.

Refuge Must Be Given John F. Sears 2021-05-15 Refuge Must Be Given details the evolution of Eleanor Roosevelt from someone who harbored negative impressions of Jews to become a leading Gentile champion of Israel in the United States. The book explores, for the first time, Roosevelt's partnership with the Quaker leader Clarence Pickett in seeking to admit more refugees into the United States, and her relationship with Undersecretary of State Sumner Welles, who was sympathetic to the victims of Nazi persecution yet defended a visa process that failed both Jewish and non-Jewish refugees. After the war, as a member of the American delegation to the United Nations, Eleanor Roosevelt slowly came to the conclusion that the partition of Palestine was the only solution both for the Jews in the displaced persons camps in Europe, and for the conflict between the Arabs and the Jews. When Israel became a state, she became deeply involved in supporting the work of Youth Aliyah and Hadassah, its American sponsor, in bringing Jewish refugee children to Israel and training them to become productive citizens. Her devotion to Israel reflected some of her deepest beliefs about education, citizenship, and community building. Her excitement about Israel's accomplishments and her cultural biases, however, blinded her to the impact of Israel's founding on the Arabs. Visiting the new nation four times and advocating on Israel's behalf created a warm bond not only between her and the people of Israel, but between her and the American Jewish community.

The Quotable Eleanor Roosevelt Michele Wehrwein Albion 2022-04-15 "Clearly the definitive book of Eleanor Roosevelt quotes. Albion does excellent work weeding out all the apocryphal quotes so often attributed to Eleanor Roosevelt, giving us only the real thing."--Christy Regenhardt, associate editor of The Eleanor Roosevelt Papers, Volume 2 "Eleanor Roosevelt remains a compelling and interesting person, and these quotes give her greater voice."--Kenneth Bindas, author of Remembering the Great Depression in the Rural South Born in the late 1800s to one of the wealthiest families in New York City, Eleanor Roosevelt seemed destined for a traditional woman's role within a sedate Victorian life. Instead, she married her fifth cousin and was flung into the highest levels of American politics, culminating in Franklin's unprecedented four-term presidency. While previous first ladies refrained from public discussion of their personal views, Eleanor's bold opinions on political, social, and racial issues took many by surprise. She held press conferences and wrote a syndicated column. She spoke at national conventions, granted interviews, and often made appearances on her husband's behalf. Her own influence lasted years beyond his death. She advocated for human rights, worked with the United Nations, and supported what later became the civil rights movement. The fascinating quotes in this collection are the words of an articulate, honest, and thoughtful woman. Of war, she said, "I hope the day will come when all that inventing and mechanical genius will be used for other purposes." At a time when racism prevailed, Eleanor said, "We must be proud of every one of our citizens, for regardless of nationality, or race, every one contributes to the welfare and culture of the nation." Organized by topic--government, money, art, education, class, relationships, emotions--these quotations reveal the personal thoughts Roosevelt shared in letters and conversations alongside the strong opinions she expressed in speeches and interviews, giving evidence to her character and her beliefs. Her words continue to resonate today.

Olivia Saves the Circus Ian Falconer 2010-09-07 When all the circus performers become ill, young Olivia suddenly finds herself in the spotlight under the big tent as the stand-in for the fire eater, elephant rider, lion tamer, trapeze artist and others.

Eleanor and Franklin Joseph P. Lash 2014-09-08 The #1 New York Times Bestseller—Winner of the Pulitzer Prize and National Book Award In his extraordinary biography of the major political couple of the twentieth century, Joseph P. Lash reconstructs from Eleanor Roosevelt's personal papers her early life and four-decade marriage to the four-time president who brought America back from the Great Depression and helped to win World War II. The result is an intimate look at the vibrant private and public worlds of two incomparable people.

Ruby A. Black Maurine H. Beasley 2017-04-11 This book explores the relationship of Washington journalist Ruby A. Black with two notable mid-twentieth-century figures: Eleanor Roosevelt and Luis Muñoz Marín. Black's role in the political atmosphere surrounding the first lady brought much-needed attention to Puerto Rico and enhanced Roosevelt's position, but had a detrimental effect on Black's career.

Eleanor Roosevelt's Book of Common Sense Etiquette Eleanor Roosevelt 2016-12-13 In an era of incivility, discover a timeless guide to good manners from First Lady Eleanor Roosevelt. "The basis of all good human behavior is kindness," says Eleanor Roosevelt in this classic handbook, first published in 1962 as a "modern book of etiquette for modern Americans." As a politician, diplomat, and activist, as well as the longest-serving First Lady of the United States, Mrs. Roosevelt knew that thoughtful, civil behavior was essential to peaceful, productive relationships. In this etiquette guide, she teaches that decorum is not about strict adherence to formal rules; it is about approaching all social situations with consideration for others. She advises, "If ever you find yourself in a situation in which following a formal rule would be manifestly unkind, forget it, and be kind instead." Drawing from her personal and professional experiences, Roosevelt covers a broad range of topics, including business dealings and family affairs, writing letters and receiving guests, and entertaining at home and traveling abroad. Beginning with the necessity of good manners between husband and wife, she considers the importance of courtesy in society at large and the role all Americans play as ambassadors of democracy while visiting foreign countries. In an era of incivility, Eleanor Roosevelt's Book of Common Sense Etiquette is more relevant than ever. This ebook has been professionally proofread to ensure accuracy and readability on all devices.

Eleanor Roosevelt Franklin D. Roosevelt Library 1971

The Eleanor Roosevelt Encyclopedia Maurine Hoffman Beasley 2001 Illuminates Eleanor Roosevelt's multifaceted life, career, and relationships.

Eleanor in the Village Jan Jarboe Russell 2021-03-30 A " riveting and enlightening account " (Bookreporter) of a mostly unknown chapter in the life of Eleanor Roosevelt—when she moved to New York ' s Greenwich Village, shed her high-born conformity, and became the progressive leader who pushed for change as America ' s First Lady. Hundreds of books have been written about FDR and Eleanor, both together and separately, but yet she remains a compelling and elusive figure. And, not much is known about why in 1920, Eleanor suddenly abandoned her duties as a mother of five and moved to Greenwich Village, then the symbol of all forms of transgressive freedom—communism, homosexuality, interracial relationships, and subversive political activity. Now, in this " immersive...original look at an iconic figure of American politics " (Publishers Weekly), Jan Russell pulls back the curtain on Eleanor ' s life to reveal the motivations and desires that drew her to the Village and how her time there changed her political outlook. A captivating blend of personal history detailing Eleanor ' s struggle with issues of marriage, motherhood, financial independence, and femininity, and a vibrant portrait of one of the most famous neighborhoods in the world, this unique work examines the ways that the sensibility, mood, and various inhabitants of the neighborhood influenced the First Lady ' s perception of herself and shaped her political views over four decades, up to her death in 1962. When Eleanor moved there, the Village was a zone of Bohemians, misfits, and artists, but there was also freedom there, a miniature society where personal idiosyncrasy could flourish. Eleanor joined the cohort of what then was called " The New Women " in Greenwich Village. Unlike the flappers in the 1920s, the New Women had a much more serious agenda, organizing for social change—unions for workers, equal pay, protection for child workers—and they insisted on their own sexual freedom. These women often disagreed about politics—some, like Eleanor, were Democrats, others Republicans, Socialists, and Communists. Even after moving into the White House, Eleanor retained connections to the Village, ultimately purchasing an apartment in Washington Square where she lived during World War II and in the aftermath of Roosevelt ' s death in 1945. Including the major historical moments that served as a backdrop for Eleanor ' s time in the Village, this remarkable work offers new insights into Eleanor ' s transformation—emotionally, politically, and sexually—and provides us with the missing chapter in an extraordinary life.

The Quotable Eleanor Roosevelt Michele Wehrwein Albion 2013 A collection of quotes by Eleanor Roosevelt.

Eleanor Roosevelt in Her Own Words John M. Shea 2015-12-15 Eleanor Roosevelt wasn ' t content to be a seldom-seen, never-heard First Lady. Instead, she worked tirelessly for the many causes dear to her heart, including the rights of African Americans, women, and the poor. After Franklin D. Roosevelt ' s death, she traveled the world promoting peace in the aftermath of World War II. Roosevelt was so beloved she became known as the First Lady of the World. This extraordinary woman ' s life and work is presented in this charming biography that utilizes her own words from her prolific writings. Roosevelt ' s wit, charm, and intelligence shine in each passage, while carefully chosen photographs reflect important moments in her life.

Tomorrow Is Now Eleanor Roosevelt 2012-10-30 Available again in time for election season, Eleanor Roosevelt's most important book—a battle cry for civil rights As relevant and influential now as it was when first published in 1963, *Tomorrow Is Now* is Eleanor Roosevelt's manifesto and her final effort to move America toward the community she hoped it would become. In bold, blunt prose, one of the greatest First Ladies of American history traces her country's struggle to embrace democracy and presents her declaration against fear, timidity, complacency, and national arrogance. An open, unrestrained look into her mind and heart as well as a clarion call to action, *Tomorrow Is Now* is the work Eleanor Roosevelt willed herself to stay alive to finish writing. For this edition, former U.S. President Bill Clinton contributes a new foreword and Roosevelt historian Allida Black provides an authoritative introduction focusing on Eleanor Roosevelt ' s diplomatic career. For more than sixty-five years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Forum and the Tower Mary Ann Glendon 2011-08-05 The relationship between politics and the academy has been fraught with tension and regret - and the occasional brilliant success - since Plato himself. This book examines thinkers who have collaborated with leaders, from ancient Syracuse to the modern White House, in a series of brisk portraits that explore the meeting of theory and reality.

The Eleanor Roosevelt Papers: pt. 1. The human rights years, 1945-1946 Eleanor Roosevelt 2009

The Eleanor Roosevelt Papers Eleanor Roosevelt 2010

Empty Without You Roger Streitmatter 1999-08-19 The relationship between Eleanor Roosevelt and Associated Press reporter Lorena Hickok has sparked vociferous debate ever since 1978, when archivists at the Franklin D. Roosevelt Library discovered eighteen boxes filled with letters the two women exchanged during their thirty-year friendship. But until now we have been offered only the odd quotation or excerpt from their voluminous correspondence. In *Empty Without You*, journalist and historian Roger Streitmatter has transcribed and annotated 300 letters that shed new light on the legendary, passionate, and intense bond between these extraordinary women. Written with the candor and introspection of a private diary, the letters expose the most private thoughts, feelings, and motivations of their authors and allow us to assess the full dimensions of a remarkable friendship. From the day Eleanor moved into the White House and installed Lorena in a bedroom just a few feet from her own, each woman virtually lived for the other. When Lorena was away, Eleanor kissed her picture of "dearest Hick" every night before going to bed, while Lorena marked the days off her calendar in anticipation of their next meeting. In the summer of 1933, Eleanor and Lorena took a three-week road trip together, often traveling incognito. The friends even discussed a future in which they would share a home and blend their separate lives into one. Perhaps as valuable as these intimations of a love affair are the glimpses this collection offers of an Eleanor Roosevelt strikingly different from the icon she has become. Although the figure who emerges in these pages is as determined and politically adept as the woman we know, she is also surprisingly sarcastic and funny, tender and vulnerable, and even judgmental and petty -- all less public but no less important attributes of our most beloved first lady.

My Faraway One Sarah Greenough 2011-06-21 Collects the private correspondence between Georgia O'Keeffe and Alfred Stieglitz, revealing the ups and downs of their marriage, their thoughts on their work, and their friendships with other artists.

The Eleanor Roosevelt Papers Project Eleanor Roosevelt 2007 *Chronicles Eleanor Roosevelt's development as diplomat, journalist, and political strategist in the years 1945 to 1948, this publication is filled with original writings and speeches.*

Courage in a Dangerous World Eleanor Roosevelt 1999 A collection of writings

Refuge Must Be Given John F. Sears 2021-05-15 *Refuge Must Be Given* details the evolution of Eleanor Roosevelt from someone who harbored negative impressions of Jews to become a leading Gentile champion of Israel in the United States. The book explores, for the first time, Roosevelt's partnership with the Quaker leader Clarence Pickett in seeking to admit more refugees into the United States, and her relationship with Undersecretary of State Sumner Welles, who was sympathetic to the victims of Nazi persecution yet defended a visa process that failed both Jewish and non-Jewish refugees. After the war, as a member of the American delegation to the United Nations, Eleanor Roosevelt slowly came to the conclusion that the partition of Palestine was the only solution both for the Jews in the displaced persons camps in Europe, and for the conflict between the Arabs and the Jews. When Israel became a state, she became deeply involved in supporting the work of Youth Aliyah and Hadassah, its American sponsor, in bringing Jewish refugee children to Israel and training them to become productive citizens. Her devotion to Israel reflected some of her deepest beliefs about education, citizenship, and community building. Visiting the new nation four times and advocating on Israel's behalf created a warm bond not only between her and the people of Israel, but between her and the American Jewish community.

The Eleanor Roosevelt Papers ANONIMO 2009-10-01

Courage in a Dangerous World Eleanor Roosevelt 1999-03-03 Dozens of books have been written about Eleanor Roosevelt, but her own writings are largely confined to the Roosevelt archives in Hyde Park. *Courage in a Dangerous World* allows her own voice again to be heard. Noted Eleanor Roosevelt scholar Allida M. Black has gathered more than two hundred columns, articles, essays, and speeches culled from archives whose pages number in the millions, tracing her development from timorous columnist to one of liberalism's most outspoken leaders. From "My Day" newspaper columns about Marian Anderson and excerpts from *Moral Basis of Democracy* and *This Troubled World* to speeches and articles on the Holocaust and McCarthyism, this anthology provides readers with the tools to reconstruct the politics of a woman who redefined American liberalism and democratic reform. Arranged chronologically and by topic, the volume covers the New Deal years, the White House years, World War II at home and abroad, the United Nations and human rights, the Cold War, the civil rights movement, the resurgence of feminism, and much more. In addition, the collection features excerpts from Eleanor Roosevelt's correspondence with Franklin Delano Roosevelt, Harry S. Truman, Adlai Stevenson, J. Edgar Hoover, John F. Kennedy, and ordinary Americans. The volume features a collection of 30 rare photographs. A comprehensive bibliography of Eleanor Roosevelt's articles serves as a valuable resource, providing a link to the issues she held dear, many of which are still

hotly debated today.

[A Guide to the Papers of Eleanor Roosevelt, 1933-1945](#) Eleanor Roosevelt 1986

Dear Mrs. Roosevelt Robert Cohen 2003-10-16 Impoverished young Americans had no greater champion during the Depression than Eleanor Roosevelt. As First Lady, Mrs. Roosevelt used her newspaper columns and radio broadcasts to crusade for expanded federal aid to poor children and teens. She was the most visible spokesperson for the National Youth Administration, the New Deal's central agency for aiding needy youths, and she was adamant in insisting that federal aid to young people be administered without discrimination so that it reached blacks as well as whites, girls as well as boys. This activism made Mrs. Roosevelt a beloved figure among poor teens and children, who between 1933 and 1941 wrote her thousands of letters describing their problems and requesting her help. Dear Mrs. Roosevelt presents nearly 200 of these extraordinary documents to open a window into the lives of the Depression's youngest victims. In their own words, the letter writers confide what it was like to be needy and young during the worst economic crisis in American history. Revealing both the strengths and the limitations of New Deal liberalism, this book depicts an administration concerned and caring enough to elicit such moving appeals for help yet unable to respond in the very personal ways the letter writers hoped.
