Off the Page Jodi Picoult 2015-06-04 An enchanting YA novel from Number One bestselling author Jodi Picoult, co-written with her daughter. Meant for each other . . . Meet Oliver, a prince literally taken from the pages of a fairy tale and transported into the real world. Meet Delilah, the girl who wished Oliver into being. It's a miracle that seems perfect at first - but there are complications. To exist in Delilah's world, Oliver must take the place of a regular boy. Enter Edgar, who agrees to play Oliver's role in the pages of Delilah's favorite book. But just when it seems that the plan will work, everything gets turned upside down. In this multilayered universe, the line between what's on the page and what's possible is blurred. Is there a way for everyone to live happily ever after? OFF THE PAGE is a stand-alone novel as well as the sequel to the authors' bestseller BETWEEN THE LINES, and is perfect for readers looking for a fairytale ending. *Featuring an augmented reality cover which readers can bring to life using the Zappar app to see Oliver and Delilah come off the page!

Mom, I Wrote a Book about You M. H. CLARK 2019-02-15

Slay Like a Mother Katherine Wintsch 2019-03-19 "Slay Like a Mother is a feisty, clever, and fun blueprint for modern motherhood that belongs on every book shelf and in every diaper bag. As a woman and mother, you'll gain a newfound power, happiness, and ability to leap tall Lego buildings in a single bound."—Erin Falconer, author of *How To Get Sh*t Done: Why Women Need to Stop Doing Everything So They Can Achieve Anything* A revelatory, inspirational guide for mothers to crush their "never enough" mentality and slay every day! Katherine Wintsch knows firsthand the self-doubt that rages inside modern moms. As founder and CEO of The Mom Complex, she has studied the passions and pain points of moms worldwide to help some of the largest brands develop innovative new products and services. As a working mom of two, she was running in an exhausting cycle of "never enough"—not strong enough, not thin enough, not patient enough, not "mom" enough. In *Slay Like a Mother*, you'll laugh, you'll cry, and you'll discover eye-opening lessons about: THE MASK YOU'RE WEARING. The one you hide behind when you say everything is "just fine" when it's not. YOUR UNREALISTIC EXPECTATIONS. The goal-setting tactics you're deploying to get ahead could be what's holding you back. THE DIFFERENCE BETWEEN STRUGGLING AND SUFFERING. Being a mother is a struggle—it always has been—but your suffering is optional. Brave, supportive, and insightful, the stories and advice in this book will encourage you to live more confidently, enjoy the present, and become your best self—as a woman, a mother, and beyond. Perfect for fans of *Girl Wash Your Face* and #IMomSoHard! ***As featured in *The Wall Street Journal* and *Parade.com**** Additional Praise for *Slay Like a Mother*: "Wintsch's style is brisk and forthright with enough humor to make readers laugh even as she illuminates dark corners. Although this is aimed at moms, any woman will find this enlightening and encouraging."—Booklist, STARRED review "Slay Like a Mother is much more than a self-help book for women: it is the end of self-doubt and the beginning of self-love... and that is nothing short of life-changing"—Rachel Macy Stafford, New York Times bestselling author of *Hands Free Mama*

Mom will love it!

When You and Your Mother Can't Be Friends Victoria Secunda 2009-11-04 "A book of great value for every daughter and every mother; useful for sons, too."—Benjamin Spock, M.D. From the Introduction: The goal of this book is to help readers achieve that separation so that they can either find a way to be friends with their mothers, or at least recognize and accept that their mothers did the best they could—even if it wasn't "good enough"—and to stop blaming them. Among the issues to be covered: • To understand how a daughter's attachment to her mother—more so than her relationship with her father—colors all her other relationships, and to analyze why it is more difficult for daughters than sons to separate from their mothers, as well as why daughters are more subject than sons to a mother's manipulation • To recognize the difference between a healthy and a destructive mother-daughter connection, and to define clearly the "bad mommy," in order to help readers who have trouble acknowledging their childhood losses to begin to comprehend them • To conjugate what I call the "Bad Mommy Taboo"—why our culture is more eager to protect the sanctity of maternity than it is to protect emotionally abused daughters • To describe the evolution of the "unpleasable" mother—in all likelihood, she was bereft of maternal love as a child—and to recognize the huge, and often poignant, stake she has in keeping her grown daughter dependent and off-balance • To illustrate the consequent controlling behavior—in some cases, cloaked in fragility or good intentions—of such mothers, which falls into general patterns, including: the Doormat, the Critic, the Smotherer, the Avenger, the Deserter • To understand that the daughter has a similar stake in either being a slave to or hating her mother—the two sides of her dependency and immaturity • To illustrate the responsive behavior—and survival mechanisms—of daughters, which is determined in part by such variables as birth rank, family history, and temperament, and which also falls into patterns, including: the Angel, the Superachiever, the Cipher, the Troublemaker, the Defector • To show how to redefine the mother-daughter relationship, so that each can learn to see and accept the other as she is today, appreciating each other's good qualities and not being snared by the bad • Finally, to demonstrate that a redefined relationship with one's mother—adult to adult—frees you from the past, whether that redefinition ultimately results in real friendship, affectionate truce, or divorce.

Bad Mother Ayelet Waldman 2013-04-25 "I want to be in the company of her frank intelligence forever" Nigella Lawson In our mothers' day there were good mothers, indifferent mothers, and occasionally great mothers. Today we have only Bad Mothers: If you work, you're neglectful; if you stay home, you're smothering. If you discipline, you're buying them a spot on the shrink's couch; if you let them run wild, they will be into drugs by seventh grade. Is it any wonder so many women refer to themselves at one time or another as a "bad mother"? Writing with remarkable candor, and dispensing much hilarious and helpful advice along the way—Is breast best? What should you do when your daughter dresses up as a "ho" for Halloween?—Ayelet Waldman says it's time for women to get over it and get on with it in this wry, unflinchingly honest, and always insightful memoir on modern motherhood.

I'm Glad My Mom Died Jenette McCurdy 2022-08-09 A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jenette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jenette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jenette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jenette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Galt!"), Jenette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jenette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

That Kind of Mother Rumaan Alam 2018-05-08 NAMED A RECOMMENDED BOOK OF 2018 BY: Buzzfeed • The Boston Globe • The Millions • InStyle • Southern Living • Vogue • Popsugar • Kirkus • The Washington Post • Library Journal • Real Simple • NPR "With his unerring eye for nuance and unsparring sense of irony, Rumaan Alam's second novel is both heartfelt and thought-provoking." — Celeste Ng, author of *Little Fires Everywhere* From the bestselling author of *Leave the World Behind*, a novel about the families we fight to build and those we fight to keep like many first-time mothers, Rebecca Stone finds herself both deeply in love with her newborn son and deeply overwhelmed. Struggling to juggle the demands of motherhood with her own aspirations and feeling utterly alone in the process, she reaches out to the only person at the hospital who offers her any real help—Priscilla Johnson—and begs her to come home with them as her son's nanny. Priscilla's presence quickly does as much to shake up Rebecca's perception of the world as it does to stabilize her life. Rebecca is white, and Priscilla is black, and through their relationship, Rebecca finds herself confronting, for the first time, the blind spots of her own privilege. She feels profoundly connected to the woman who essentially taught her what it means to be a mother. When Priscilla dies unexpectedly in childbirth, Rebecca steps forward to adopt the baby. But she is unprepared for what it means to be a white mother with a black son. As she soon learns, navigating motherhood for her is a matter of learning how to raise two children whom she loves with equal ferocity, but whom the world is determined to treat differently. Written with the warmth and psychological acuity that defined his debut, Rumaan Alam has crafted a remarkable novel about the lives we choose, and the lives that are chosen for us.

Mother Brain Chelsea Conaboy 2022-09-13 Health and science journalist Chelsea Conaboy explodes the concept of "maternal instinct" and tells a new story about what it means to become a parent. Conaboy expected things to change with the birth of her child. What she didn't expect was how different she would feel. But she would soon discover what was behind this: her changing brain. Though Conaboy was prepared for the endless dirty diapers, the sleepless nights, and the joy of holding her newborn, she did not anticipate this shift in self, as deep as it was disorienting. *Mother Brain* is a groundbreaking exploration of the parental brain that untangles insidious myths from complicated realities. New parents undergo major structural and functional brain changes, driven by hormones and the deluge of stimuli a baby provides. These neurobiological changes help all parents—birthing or otherwise—adapt in those intense first days and prepare for a long period of learning how to meet their child's needs. Pregnancy produces such significant changes in brain anatomy that researchers can easily sort those who have had one from those who haven't. And all highly involved parents, no matter their path to parenthood, develop similar caregiving circuitry. Yet this emerging science, which provides key insights into the wide-ranging experience of parenthood, from its larger role in shaping human nature to the intensity of our individual emotions, is mostly absent from the public conversation about parenthood. The story that exists in the science today is far more meaningful than the idea that mothers spring into being by instinct. Weaving the latest neuroscience and social psychology together with new reporting, Conaboy reveals unexpected upsides, generations of scientific neglect, and a powerful new narrative of parenthood.

What My Mother and I Don't Talk About Michele Filgate 2020-08-11 "You will devour these beautifully written—and very important—tales of honesty, pain, and resilience" (Elizabeth Gilbert, New York Times bestselling author of *Eat Pray Love* and *City of Girls*) from fifteen brilliant writers who explore how what we don't talk about with our mothers affects us, for better or for worse. As an undergraduate, Michele Filgate started writing an essay about being abused by her stepfather. It took her more than a decade to realize that she was actually trying to write about how this affected her relationship with her mother. When it was finally published, the essay went viral, shared on social media by Anne Lamott, Rebecca Solnit, and many others. This gave Filgate an idea, and the resulting anthology offers a candid look at our relationships with our mothers. Leslie Jamison writes about trying to discover who her seemingly perfect mother was before ever becoming a mom. In Cathi Hanauer's hilarious piece, she finally gets a chance to have a conversation with her mother that isn't interrupted by her domineering (but lovable) father. André Aciman writes about what it was like to have a deaf mother. Melissa Febos uses mythology as a lens to look at her close-knit relationship with her psychotherapist mother. And

Juliana Baggott talks about having a mom who tells her everything. As Filgate writes, "Our mothers are our first homes, and that's why we're always trying to return to them." There's relief in acknowledging how what we couldn't say for so long is a way to heal our relationships with others and, perhaps most important, with ourselves. Contributions by Cathi Hanauer, Melissa Febos, Alexander Chee, Dylan Landis, Bernice L. McFadden, Julianna Baggott, Lynn Steger Strong, Kiese Laymon, Carmen Maria Machado, André Aciman, Sari Botton, Nayomi Munaweera, Brandon Taylor, and Leslie Jamison.

The Mother of All Questions Rebecca Solnit 2017-05-25 Following on from the success of *Men Explain Things to Me* comes a new collection of essays in which Rebecca Solnit opens up a feminism for all of us: one that doesn't stigmatize women's lives, whether they include spouses and children or not; that brings empathy to the silences in men's lives as well as the silencing of women's lives; celebrates the ways feminism has shifted in recent years to reclaim rape jokes, revise canons, and rethink our everyday lives.

Just a Mom Betty DeGeneres 2000 Recounts the experiences of lesbians, gay men, and their families, provides advice on dealing with various related situations, including those of older gays, and encourages people to be open and supportive.

Mother, Can You Not? Kate Siegel 2016-04-05 Based on the wildly popular Instagram account @CrazyJewishMom, Kate Siegel's essay collection about life with the woman who redefined the term "helicopter mom." There is nothing more wonderful than a mother's love. There is also nothing more annoying. Who else can proudly insist that you're perfect while simultaneously making you question every career, fashion, and relationship decision you have ever made? No one understands the delicate mother-daughter dynamic better than Kate Siegel—her own mother drove her so crazy that she decided to broadcast their hilarious conversations on Instagram. Soon, hundreds of thousands of people were following their daily text exchanges, eager to see what outrageous thing Kate's mom would do next. Now, in *Mother, Can You Not?*, Kate pays tribute to the woman who invented the concept of drone parenting. From embarrassing moments (like crashing Kate's gynecological exams) to outrageous stories (like the time she made Kate steal a cat from the pound) to hilarious celebrations (including but not limited to parties for Kate's menstrual cycles), *Mother, Can You Not?* lovingly lampoons the lengths to which our mothers will go to better our lives (even if it feels like they're ruining them in the process).

You Are the Mother Your Children Need Christie Gardiner 2017 "The woman you want to be . . . the one who has within her every talent, gift, and ability to be what her children need? She's already there. She is you. Motherhood is the toughest job you'll ever take on: there is no interview, no job description, and no salary. When you get the position, it can be all too easy to feel under qualified and overwhelmed. But with a sweet message of encouragement, Christie Gardiner reminds women there are as many ways to be a good mother as there are mothers in this world—and there's no one more capable of raising your children than you! In this uplifting book, mothers are encouraged to let go of the quest for perfectionism and recognize the divinity within. Discover how to own your strengths and weaknesses, and allow your true self to shine! With practical advice on learning to accept failure, holding on to your identity, and harnessing the divine help available to mothers, women will gain the confidence to embrace their uniquely perfect qualifications for the job of motherhood."--Page [4] of cover.

Are You My Mother? Alison Bechdel 2013-03-28 An expansive, moving and captivating graphic memoir from the author of *Fun Home*. Alison Bechdel's *Fun Home* was a literary phenomenon. While *Fun Home* explored Bechdel's relationship with her father, a closeted homosexual, this memoir is about her mother - a voracious reader, a music lover, a passionate amateur actor. Also a woman, unhappily married to a gay man, whose artistic aspirations simmered under the surface of Bechdel's childhood... and who stopped touching or kissing her daughter goodnight, for ever, when she was seven. Poignantly, hilariously, Bechdel embarks on a quest for answers concerning the mother-daughter gulf. 'As absorbing as it is graced with a deceptive lightness of touch, it is clever, brilliantly pieced together, and utterly unusual. *Sunday Times* 'It's a beautiful (and beautifully illustrated) look at the complexity and dysfunctionality of family through a unique lens - and frames things in such a way that you can't help but re-examine your own relationships, too.' Stylist

High-Risk Homosexual Edgar Gomez 2022-01-11 This witty memoir traces a touching and often hilarious spiraling path to embracing a gay, Latinx identity against a culture of machismo—from a cockfighting ring in Nicaragua to cities across the U.S.—and the bath houses, night clubs, and drag queens who help redefine pride I've always found the definition of machismo to be ironic, considering that pride is a word almost unanimously associated with queer people, the enemy of machistas . . . In a world desperate to erase us, queer Latinx men must find ways to hold on to pride for survival, but excessive male pride is often what we are battling, both in ourselves and in others. A debut memoir about coming of age as a gay, Latinx man, *High-Risk Homosexual* opens in the ultimate anti-gay space: Edgar Gomez's uncle's cockfighting ring in Nicaragua, where he was sent at thirteen years old to become a man. Readers follow Gomez through the queer spaces where he learned to love being gay and Latinx, including Pulse nightclub in Orlando, a drag queen convention in Los Angeles, and the doctor's office where he was diagnosed a "high-risk homosexual." With vulnerability, humor, and quick-witted insights into racial, sexual, familial, and professional power dynamics, Gomez shares a hard-won path to taking pride in the parts of himself he was taught to keep hidden. His story is a scintillating, beautiful reminder of the importance of leaving space for joy.

Battle Hymn of the Tiger Mother Amy Chua 2011-12-06 A lot of people wonder how Chinese parents raise such stereotypically successful kids. They wonder what Chinese parents do to produce so many math whizzes and music prodigies, what it's like inside the family, and whether they could do it too. Well, I can tell them, because I've done it. . . . Amy Chua's daughters, Sophia and Louisa (Lulu) were polite, interesting and helpful, they had perfect school marks and exceptional musical abilities. The Chinese-parenting model certainly seemed to produce results. But what happens when you do not tolerate disobedience and are confronted by a screaming child who would sooner freeze outside in the cold than be forced to play the piano? *Battle Hymn of the Tiger Mother* is a story about a mother, two daughters, and two dogs. It was supposed to be a story of how Chinese parents are better at raising kids than Western ones. But instead, it's about a bitter clash of cultures, a fleeting taste of glory, and how you can be humbled by a thirteen-year-old. Witty, entertaining and provocative, this is a unique and important book that will transform your perspective of parenting forever.

Good-Enough Mother René Syler 2008-04-22 An Early Show anchorwoman recounts her experiences as a "proudly imperfect" mother of two, offering a reassuring portrayal of modern motherhood that suggests that children can emerge healthy and well-adjusted in spite of the concessions inherent to today's challenging work-life balance. Reprint. 50,000 first printing.

Love You Forever Robert N. Munsch 1986 As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

Nightbitch Rachel Yoder 2021-07-22 Looking for a summer read with bite? 'OUTRAGEOUS, SMART, FUN' 'BONNIE GARMUS, *Sunday Times* bestselling author of *Lessons in Chemistry* 'BRILLIANT' Stylist 'INCREDIBLE' Carmen Maria Machado One day, the mother was a mother but then, one night, she was quite suddenly something else. . . . At home full-time with her two-year-old son, an artist finds she is struggling. She is lonely and exhausted. Her husband, always travelling for his work, calls her from faraway hotel rooms. One more toddler bedtime, and she fears she might lose her mind. Instead, she starts gaining things, surprising things that happen one night when her child will not sleep. New appetites, new instincts. And from deep within herself, a new voice. . . . 'Terrifically alive' *Observer* 'I tore through it' Lisa McInerney 'The spiritual successor to Angela Carter' *Evening Standard* 'Funny and unnerving as hell' *Jenny Offill*

I'm Not Mad, I Just Hate You! Roni Cohen-Sandler 2000-03-01 For mothers who are reeling from the rockiness of an ever-changing adolescent, or struggling with a relationship that's deteriorating by the day, here is encouragement, reassurance, and great advice. 'I'm Not Mad, I Just Hate You!' discusses the social, emotional, cultural, and psychological issues that can lead to mother-daughter conflicts. It offers illuminating and very recognizable case studies, and demonstrates how mother-daughter friction during adolescence can actually empower girls by teaching them invaluable skills. By providing mothers with much-needed encouragement and practical strategies to help their daughters grow into emotionally healthy and capable adults, 'I'm Not Mad, I Just Hate You!' can transform the tempestuous teenage years into years of positive, enriching growth.

Just Like Mother Anne Heltzel 2022-05-17 Spine-chilling and sharp, *Just Like Mother* is a modern gothic from a fresh new voice in horror, and "is set to be one of the year's most talked-about books" (Andrea Bartz, *New York Times* bestselling author). A girl would be such a blessing. . . . The last time Maeve saw her cousin was the night she escaped the cult they were raised in. For the past two decades, Maeve has worked hard to build a normal life in New York City, where she keeps everything—and everyone—at a safe distance. When Andrea suddenly reappears, Maeve regains the only true friend she's ever had. Soon she's spending more time at Andrea's remote Catskills estate than in her own cramped apartment. Maeve doesn't even mind that her cousin's wealthy work friends clearly disapprove of her single lifestyle. After all, Andrea has made her fortune in the fertility industry—baby fever comes with the territory. The more Maeve immerses herself in Andrea's world, the more disconnected she feels from her life back in the city; and the cousins' increasing attachment triggers memories Maeve has fought hard to bury. But confronting the terrors of her childhood may be the only way for Maeve to transcend the nightmare still to come. . . . "A fierce, frightening novel."—Rachel Harrison, author of *The Return and Cackle*

Mother Land Paul Theroux 2017-11-02 A darkly hilarious portrait of one dysfunctional American family and its scheming matriarch Everyone in Cape Cod thinks that Mother is a wonderful woman: pious, hard-working, frugal. Everyone except her husband and seven children. To them she is a selfish and petty tyrant -- endlessly comparing her many living children to the one who died in childbirth, keeping a vice-like hold on her offspring even as they try to escape into adulthood. Welcome to Mother Land: a suffocating kingdom of parental narcissism. This is an engrossing, hilarious and heartbreaking portrait of a modern family -- the bickering, the conspiracies, and the drive to overcome the painful ties that bind.

The Perfect Mother Aimee Molloy 2018-05-03 ***Don't miss this instant New York Times bestseller*** Soon to be a major motion picture starring Scandal's Kerry Washington. "Wonderfully nuanced and compulsively readable" KERRY WASHINGTON "Thrilling . . . you'll think you have all figured out - until you realise you don't" MARIE CLAIRE 'An electrifying thriller' PEOPLE, BOOK OF THE WEEK * * * We all want different things. Francie wants to be the perfect mother. Nell wants to escape the past. Collette wants to spend more time with her family. All Winnie wants is to have her baby back. When Nell suggests a night out in Brooklyn to her new mums' club, the others jump at the chance. But the evening takes a tragic turn when Winnie learns that her six-week-old son Midas has been kidnapped. As the investigation hits a dead end, Nell, Collette and Francie make it their mission to succeed where the police are failing. But as Winnie and those around her come under scrutiny from the media, damaging secrets come to light and friendships are pushed to the limit. Because people will do almost anything to protect the ones they love . . . * * * 'A true page turner!' B.A. PARIS, BESTSELLING AUTHOR OF THE BREAKDOWN AND BEHIND CLOSED DOORS 'A fast-paced, twisty, engrossing read - I loved it!' MEGAN MIRANDA, AUTHOR OF ALL THE MISSING GIRLS

You're Wearing That? Deborah Tannen 2006-01-24 Deborah Tannen's #1 New York Times bestseller *You Just Don't Understand* revolutionized communication between women and men. Now, in her most provocative and engaging book to date, she takes on what is potentially the most fraught and passionate connection of women's lives: the mother-daughter relationship. It was Tannen who first showed us that men and women speak different languages. Mothers and daughters speak the same language—but still often misunderstand each other, as they struggle to find the right balance between closeness and independence. Both mothers and daughters want to be seen for who they are, but tend to see the other as falling short of who she should be. Each overestimates the other's power and underestimates her own. Why do daughters complain that their mothers always criticize, while mothers feel hurt that their daughters shut them out? Why do mothers and daughters critique each other on the Big Three—hair, clothes, and weight—while longing for approval and understanding? And why do they scrutinize each other for reflections of themselves? Deborah Tannen answers these and many other questions as she explains why a remark that would be harmless coming from anyone else can cause an explosion when it comes from your mother or your daughter. She examines every aspect of this complex dynamic, from the dark side that can shadow a woman throughout her life, to the new technologies like e-mail and instant messaging that are transforming mother-daughter communication. Most important, she helps mothers and daughters understand each other, the key to improving their relationship. With groundbreaking insights, pitch-perfect dialogues, and deeply moving memories of her own mother, Tannen untangles the knots daughters and mothers can get tied up in. Readers will appreciate Tannen's humor as they see themselves on every page and come away with real hope for breaking down barriers and opening new lines of communication. Eye-opening and heartfelt, *You're Wearing That?* illuminates and enriches one of the most important relationships in our lives. "Tannen analyzes and decodes scores of conversations between moms and daughters. These exchanges are so real they can make you squirm as you relive the last fraught conversation you had with your own mother or daughter. But Tannen doesn't just point out the pitfalls of the mother-daughter relationship, she also provides guidance for changing the conversations (or the way that we feel about the conversations) before they degenerate into what Tannen calls a mutually aggravating spiral, a "self-perpetuating cycle of escalating responses that become provocations." - *The San Francisco Chronicle*

Would You Do That to Your Mother? Jeanne Bliss 2018-05-08 Customer experience pioneer Jeanne Bliss shows why "Make Mom Proud" companies outperform their competition. Her 5-step guide to customer experience and culture transformation makes this achievement possible. Bliss urges companies to make business personal to earn ardent fans and admirers, by focusing on one deceptively simple question: "Would you do that to your mother?" "Make Mom Proud" companies give customers the treatment they desire, and employees the ability to deliver it. They turn "gotcha" moments into "we've got your back" moments by rethinking business practices, and they enable employees to be part of the solution to fix customer frustrations. Bliss scoured the marketplace seeking companies who excel at living their core values, grounded in what we all learned as kids. She offers a five-step plan for evaluating your current behaviors and implementing actions at every level of the organization. Step 1. "Be the Person I Raised You to Be" Understand how you are hiring, developing and trusting employees to bring the best version of themselves to work. Vail resorts, for example, the

world's largest ski resort operator, banned the three words "Our policy is..." from their vocabulary, freeing employees to take spirited actions to deliver "the experience of a lifetime." Step 2. "Don't Make Me Feed You Soap" Learn the eight key frustrations that bind us as customers (waiting, fear, anxiety, the black hole of no communication, etc.) and how to apply actions from companies who are delivering a seamless, frictionless and easy experience. Step 3. "Put Others Before Yourself" Determine if your focus is on helping customers achieve their goals – and evaluate how that is fueling your growth. Canada's Mayfair Diagnostics, for example, spent over a year studying the emotions of patients entering an imaging clinic, so they could redesign their welcome to deliver warmth and caring over procedure and process. The newly designed clinic achieved profitability in record time. Step 4. "Take the High Road" Learn how companies who do the right thing rise above the competition. Virgin Hotels, for example, named #1 U.S. hotel by Conde Nast Reader's Choice Awards, walked away from price gouging at the mini bar, so you'll never pay more for that Snickers bar than what you'd pay at the corner market. Step 5. "Stop the Shenanigans!" Evaluate your current company behaviors and identify the key actions that you can begin immediately. With 32 case studies and examples from more than 85 companies, this is a practical and easy to follow guide for your experience and culture transformation. Filled with comics to snapshot our experiences as customers, a "mom lens" to reflect continuously on your performance, and a "make-mom-proud-ometer" quiz – the book makes Bliss's approach accessible and approachable. Join the movement to #MakeMomProud by applying this book across your organization. Whether you're contemplating your company's returns policy, its social media presence, or its big-picture strategy, this approach will help your company anticipate both employee and customer needs, extend patience, and show respect at all times.

A Mother for Choco Keiko Kasza 1992-03-25 Family is about love no matter how different parents and children may be, adopted or not. Choco wishes he had a mother, but who could she be? He sets off to find her, asking all kinds of animals, but he doesn't meet anyone who looks just like him. He doesn't even think of asking Mrs. Bear if she's his mother-but then she starts to do just the things a mommy might do. And when she brings him home, he meets her other children-a piglet, a hippo, and an alligator-and learns that families can come in all shapes and sizes and still fit together. Keiko Kasza's twist on the "Are you my mother?" theme has become one of the most highly recommended stories about adoption for children.

Like a Mother Angela Garbes 2018-05-29 A candid, feminist, and personal deep dive into the science and culture of pregnancy and motherhood Like most first-time mothers, Angela Garbes was filled with questions when she became pregnant. What exactly is a placenta and how does it function? How does a body go into labor? Why is breast best? Is wine totally off-limits? But as she soon discovered, it's not easy to find satisfying answers. Your obstetrician will cautiously quote statistics; online sources will scare you with conflicting and often inaccurate data; and even the most trusted books will offer information with a heavy dose of judgment. To educate herself, the food and culture writer embarked on an intensive journey of exploration, diving into the scientific mysteries and cultural attitudes that surround motherhood to find answers to questions that had only previously been given in the form of advice about what women ought to do—rather than allowing them the freedom to choose the right path for themselves. In *Like a Mother*, Garbes offers a rigorously researched and compelling look at the physiology, biology, and psychology of pregnancy and motherhood, informed by in-depth reportage and personal experience. With the curiosity of a journalist, the perspective of a feminist, and the intimacy and urgency of a mother, she explores the emerging science behind the pressing questions women have about everything from miscarriage to complicated labors to postpartum changes. The result is a visceral, full-frontal look at what's really happening during those nine life-altering months, and why women deserve access to better care, support, and information. Infused with humor and born out of awe, appreciation, and understanding of the female body and its strength, *Like a Mother* debunks common myths and dated assumptions, offering guidance and camaraderie to women navigating one of the biggest and most profound changes in their lives.

The Mothers Brit Bennett 2019-05-16

God Help the Child Toni Morrison 2015-04-21 NATIONAL BESTSELLER • A New York Times Notable Book • This fiery and provocative novel from the acclaimed Nobel Prize winner weaves a tale about the way the sufferings of childhood can shape, and misshape, the life of the adult. At the center: a young woman who calls herself Bride, whose stunning blue-black skin is only one element of her beauty, her boldness and confidence, her success in life, but which caused her light-skinned mother to deny her even the simplest forms of love. There is Booker, the man Bride loves, and loses to anger. Rain, the mysterious white child with whom she crosses paths. And finally, Bride's mother herself, Sweetness, who takes a lifetime to come to understand that "what you do to children matters. And they might never forget."

Just What Kind of Mother Are You? Paula Daly 2013-09-03 "Riveting! Daly plunges straight into the heart of every parent's worst nightmare with page-turning results."

—Lisa Gardner, #1 New York Times best-selling author Lisa Kallisto—overwhelmed working mother—is the not-so-perfect model of the modern woman. She holds down a busy job running an animal shelter, she cares for three demanding children, and she worries that her marriage isn't getting enough attention. During an impossibly hectic week, Lisa takes her eye off the ball for a moment and her world descends into a living nightmare. Not only is her best friend's thirteen-year-old daughter missing, but it's Lisa's fault. To make matters worse, Lucinda is the second teenage girl to disappear within the past two weeks. The first one turned up stripped bare and abandoned on the main street after a horrible ordeal. Wracked with guilt over her mistake, and after having been publicly blamed by Lucinda's family, Lisa sets out to right the wrong. As she begins digging under the surface, Lisa learns that everything is not quite what it first appears to be. "This intriguing blend of suspense tale and domestic drama, which has a number of delicious plot twists, will keep readers riveted . . . First-rate fiction from an outstanding new thriller writer." —Booklist, starred review

The Mother Trip Ariel Gore 2000-04-12 In her last book, outspoken urban mom Ariel Gore offered help for real-world mothers. In *The Mother Trip*, she gives her inspiration, encouragement, and moral support to unconventional moms. In these essays, she bashes the stereotype of the "good mother" and encourages readers to follow their instincts and redefine motherhood in their own terms.

What No One Tells You Alexandra Sacks 2019-04-23 Your guide to the emotions of pregnancy and early motherhood, from two of America's top reproductive psychiatrists. When you are pregnant, you get plenty of advice about your growing body and developing baby. Yet so much about motherhood happens in your head. What everyone really wants to know: Is this normal? -Even after months of trying, is it normal to panic after finding out you're pregnant? -Is it normal not to feel love at first sight for your baby? -Is it normal to fight with your parents and partner? -Is it normal to feel like a breastfeeding failure? -Is it normal to be zonked by "mommy brain"? In *What No One Tells You*, two of America's top reproductive psychiatrists reassure you that the answer is yes. With thirty years of combined experience counseling new and expectant mothers, they provide a psychological and hormonal backstory to the complicated emotions that women experience, and show why it's natural for "matrescence"—the birth of a mother—to be as stressful and transformative a period as adolescence. Here, finally, is the first-ever practical guide to help new mothers feel less guilt and more self-esteem, less isolation and more kinship, less resentment and more intimacy, less exhaustion and more pleasure, and learn other tips to navigate the ups and downs of this exciting, demanding time

Motherhood Sheila Heti 2018-05-24 **A Daily Telegraph, Financial Times, Irish Times, Refinery29, TLS and The White Review Book of the Year 2018** A provocative novel about the desire and duty to procreate, from the author of the critically acclaimed *How Should A Person Be?* Motherhood treats one of the most consequential decisions of early adulthood – whether or not to have children – with the intelligence, wit and originality that have won Sheila Heti international acclaim. Having reached an age when most of her peers are asking themselves when they will become mothers, Heti's narrator considers, with the same urgency, whether she will do so at all. Over the course of several years, under the influence of her partner, body, family, friends, mysticism and chance, she struggles to make a moral and meaningful choice. In a compellingly direct mode that straddles the forms of the novel and the essay, *Motherhood* raises radical and essential questions about womanhood, parenthood, and how – and for whom – to live. 'Likely to become the defining literary work on the subject' Guardian

Just What Kind of Mother Are You? Paula Daly 2013-04-25 The basis for DEEP WATER, now a major ITV TV series, starring Anna Friel. 'One of the most hypnotically gripping books I've read in a long, long time.' TESS GERRITSEN Your friend's child is missing. It's your fault. _____ No family is perfect. A husband, three children and a full-time job, so many plates to keep spinning. No wonder you forgot you were supposed to be looking after your friend's daughter. But no one has seen her since yesterday. And she's not the first to go missing from your small town. So who's hiding something? _____ 'She writes with a singular voice and a passion that roars off the page . . . With a sharp, double-twist ending it announces Daly as a potential star.' Daily Mail 'Fiendishly addictive.' Guardian 'Riveting! Daly plunges straight into the heart of every parent's worst nightmare with page-turning results.' Lisa Gardner 'The sort of book that causes you to lose half a day without even noticing.' Elizabeth Haynes, author of *Into the Darkest Corner*

The Birth Of A Mother Daniel N Stern 1998-12-03 As you prepare to become a mother, you face an experience unlike any other in your life. Having a baby will redirect your preferences and pleasures and, most likely, will realign some of your values. As you undergo this unique psychological transformation, you will be guided by new hopes, fears, and priorities. In a most startling way, having a child will influence all of your closest relationships and redefine your role in your family's history.

The charting of this remarkable, new realm is the subject of this compelling book. Renowned psychiatrist Daniel N. Stern has joined forces with pediatrician and child psychiatrist Nadia Bruschiweller-Stern and journalist Allison Freeland to paint a wonderfully evocative picture of the psychology of motherhood. At the heart of *The Birth of a Mother* is an arresting premise: Just as a baby develops physically in utero and after birth, so a mother is born psychologically in the many months that precede and follow the birth of her baby. The recognition of this inner transformation emerges from hundreds of interviews with new mothers and decades of clinical experience. Filled with revealing case studies and personal comments from women who have shared this experience, this book will serve as an invaluable sourcebook for new mothers, validating the often confusing emotions that accompany the development of this new identity. In addition to providing insight into the unique state of motherhood, the authors touch on related topics such as going back to work, fatherhood, adoption, and premature birth. During pregnancy, mothers-to-be talk about morning sickness and their changing bodies, and new mothers talk about their exhaustion, the benefits of nursing or bottle-feeding, and the dilemma of whether or when they should return to work. And yet, they can be strangely mute about the dramatic and often overwhelming changes going on in their inner lives. Finally, with *The Birth of a Mother*, these powerful feelings are eloquently put into words.

The Trophy Child Paula Daly 2017-03-07 "Paula Daly is acclaimed for her distinctive voice, masterful plotting, and terrifying depictions of ordinary people whose everyday lives are turned upside down through deception and murder. In her unsettling new domestic thriller, "The Trophy Child", Daly digs beneath the serene surface of the idyllic suburban Lake District community where families strive for perfection, delivering a suspenseful, surprising story of motherhood and fallibility. Karen Bloom is not the coddling mother type. She believes in raising her children for success. Some in the neighborhood call her assertive, others say she's driven, but in gossiping circles she's known as: the tiger mother. Karen believes that tough discipline is the true art of parenting and that achievement leads to ultimate happiness. She expects her husband and her children to perform at 200 percent—no matter the cost. But in an unending quest for excellence, her seemingly flawless family start to rebel against her. Her husband Noel is a handsome doctor with a proclivity for alcohol and women. Their prodigy daughter, Bronte, is excelling at school, music lessons, dance classes, and yet she longs to run away. Verity, Noel's teenage daughter from his first marriage, is starting to display aggressive behavior. And Karen's son from a previous relationship falls deeper into drug use. When tragedy strikes the Blooms, Karen's carefully constructed facade begins to fall apart—and once the deadly cracks appear, they are impossible to stop. A thrilling tale of ambition and murder, Daly's richly imagined world of suburban striving and motherly love is an absorbing page-turner about the illusions of perfection and the power games between husband and wife, parent and child.

Juniper Monica Furlong 2021-10-15 The daughter of a king in Cornwall, Juniper enjoys the luxurious life of a medieval princess. But when presented with the opportunity to learn the magic of nature and its healing powers, Juniper opts for the tough route and becomes an apprentice to nature's wisdom. Upon completion of her training and returning home, she discovers her power-mad aunt, Meroot, using black magic to usurp the throne. With the kingdom in peril, the young healer must use her untested powers to stop her mad aunt before the kingdom is destroyed! A prequel to *Monica Furlong's Wise Child*, this enthralling fantasy is a highly reviewed reader favorite. Juniper has been placed near the top of nearly 100 Goodreads.com "Best of" lists, including Best YA Fiction, Best Fantasy Books, and YA Books with Strong Female Characters. Find out why this is such a beloved book!

A Heart Just Like My Mother's Lela Nargl 2018-01-01 Shy Anna doesn't think she is anything like her outgoing, funny, clever mother. One day Anna sees a hungry man on the street and decides to find a way to help. When she uses her tzedakah money for an act of kindness, she realizes she and her mother have something special in common after all.
