*Franchising* Richard J. Judd 2007-12-01 This book is written for students of franchising as well as franchisors, franchisees or prospective franchisees. A three part perspective is developed throughout the book concerning the franchisor-franchisee relationship: first, a franchisor and franchisee are independent business people who must manage their separate business affairs; second, the franchisor and franchisee are dependent upon each other in order to be successful in business; and third, the franchisor-franchisee relationship brings with it an interdependent contractual obligation that is legally binding upon both parties.

**A Consumer Guide to Buying a Franchise** United States. Federal Trade Commission 1994

**Franchising Strategies** Ed Teixeira 2022-07-01 A comprehensive and accessible companion to a proven business model, this book shows how to franchise an existing business, supported by case studies, data, and research reports on the franchise industry. For small to medium sized businesses, franchising can lead to successful and profitable growth, and plays an important role within the US economy. Utilizing a proprietary dataset with the most up-to-date statistics regarding a range of franchising trends, this analytical guide is based on management research frameworks that will lead to better understanding of a range of franchising strategies. Issues covered include: The franchising business model, including its history, economic impact, and regulations Critical factors that significantly influence franchising success, enabling a comprehensive feasibility analysis of franchising potential or existing business ideas Implementation components of franchising strategies, such as different franchise structures, regional development plans, and future trends With its clear focus and practical orientation, this book will be a valuable resource for entrepreneurs, as well as undergraduate and postgraduate students, interested in acquiring the knowledge, skills, and abilities to succeed in franchising.

**Dare to Serve** Cheryl Bachelder 2015-03-16 "A new perspective on servant leadership—challenging us to bring both courage and humility to the table—for the sake of the people and the enterprise." —John C. Maxwell, New York Times bestselling author In this updated edition of *Dare to Serve*, former Popeyes CEO Cheryl Bachelder shows that leading by serving is a rigorous and tough-minded approach that yields the best results. When she was named CEO of Popeyes in 2007, the stock price had slipped from \$34 in 2002 to \$13. The brand was stagnant, the team was discouraged, and the franchisees were just plain angry. Nine years later, restaurant sales were up 45 percent, restaurant profits had doubled,

and the stock price was over \$61. Servant leadership is sometimes derided as soft or ineffective, but this book confirms that challenging people to reach a daring destination, while treating them with dignity, creates the conditions for superior performance. The second edition of this bestselling book includes Bachelder's post-Popeyes observations and new examples of how you can switch your leadership from self to serve. Ever engaging and inspirational, Bachelder takes you firsthand through the transformation of Popeyes and shows how anyone, at any level can become a Dare-to-Serve leader. "Extraordinary! Dare to Serve describes the kind of leadership so desperately needed in the 21st century. A powerful blend of courage and humility, Cheryl Bachelder's engaging story offers a clear path for leaders to follow, and what makes her message so compelling is the tremendous results she's produced. I highly recommend this book." —Stephen M. R. Covey, New York Times-bestselling author of *The Speed of Trust*

**Buying a Franchise in Canada** Tony Wilson 2012-04-15 This book is essential reading for anyone thinking about taking over an existing business. Tony Wilson will help you choose a franchise that's right for you, understand your franchise agreement inside and out, and negotiate the best deal. This book will give you a better understanding of the legal issues and help you to spot problem areas. In an easy-to-understand manner, the author shows you how to negotiate an agreement with a franchisor and develop a profitable relationship. The author takes you step-by-step through a franchise agreement so you can spot the potential benefits and drawbacks. Tony Wilson is a franchise lawyer and considered one of the foremost experts on franchising in Canada. He has written this book in a manner that offers you practical and common-sense advice you can use. The book contains many real-life examples taken from the author's experiences representing franchisees. It will answer your questions about franchising, saving you time and money in lawyer's fees. The book answers the following questions: \* What parts of a franchise agreement are negotiable? How protected is a "protected" territory? \* How can you discover the status of the franchisor's trade-marks? \* Who will control the lease for the franchised location? \* How easy will it be for the franchisee to resell or renew the franchised business?

**Become a Franchise Owner!** Joel Libava 2011-12-06 The definitive A-to-Z guide to researching, selecting, and starting a viable franchise business With more and more professionals looking for alternatives to traditional corporate employment, *Become a Franchise Owner!* informs would-be franchise owners of the joys and perils of purchasing a franchise. Authored by a trusted, feisty, tell-it-how-it-is independent franchise industry insider, this book offers straightforward, step-by-step tips and advice on how to properly (and carefully) research and select a franchise business. Get tips on how to locate information about franchises, current industry trends, interviews with franchisors, and hot franchise opportunities. Offers a self-evaluation to discover if you are "franchise material" Describes how to choose the right franchise for your specific situation Lists the 40 crucial questions to ask current franchise owners Owning a franchise isn't for everyone; in fact, as Joel Libava says, "it's really not for most people." But if it is for you, this book can guide you in starting your own successful franchise business.

This option is perfect for those students who focus on the textbook as their main course resource. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

**Pour Your Heart Into It** Howard Schultz 2012-05-22 In *Pour Your Heart Into It*, former CEO and now chairman emeritus Howard Schultz illustrates the principles that have shaped the Starbucks phenomenon, sharing the wisdom he has gained from his quest to make great coffee part of the American experience. The success of Starbucks Coffee Company is one of the most amazing business stories in decades. What started as a single store on Seattle's waterfront has grown into the largest coffee chain on the planet. Just as remarkable as this incredible growth is the fact that Starbucks has managed to maintain its renowned commitment to product excellence and employee satisfaction. Marketers, managers, and aspiring entrepreneurs will discover how to turn passion into profit in this definitive chronicle of the company that "has changed everything... from our tastes to our language to the face of Main Street" (Fortune).

**Franchising in America** Thomas S. Dicke 2017-12-15 Using a series of case studies from five industries, Dicke analyzes franchising, a marketing system that combines large and small firms into a single administrative unit, strengthening both in the process. He studies the franchise industry from the 1840s to the 1980s, closely examining the rights and obligations of both the parent company and the franchise owner. Originally published in 1992. A UNC Press Enduring Edition -- UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print. These editions are published unaltered from the original, and are presented in affordable paperback formats, bringing readers both historical and cultural value.

**Wade's Story** Martin L. Altman III "Woodie" 2020-03-16 Wade's Story is true. I am sharing it for the glory of God and so that others who are struggling with trials and suffering in their lives will be comforted and encouraged. The timeline is primarily 1996 to 2001, during which our family, church, friends, and community came together in love and support for our son, Wade Altman. At only nine years of age, during a normal, rambunctious, and mischievous childhood, Wade began

*The Economics of Franchising* Roger D. Blair 2005-04-11 This 2005 book describes in much detail both how and why franchising works. It also analyses the economic tensions that contribute to conflict in the franchisor-franchisee relationship. The treatment includes a great deal of empirical evidence on franchising, its importance in various segments of the economy, the terms of franchise contracts and what we know about how all these have evolved over time, especially in the US market. A good many myths are dispelled in the process. The economic analysis of the franchisor-franchisee relationship begins with the observation that for franchisors, franchising is a contractual alternative to vertical integration. Subsequently, the tensions that arise between a franchisor and its franchisees, who in fact are owners of independent businesses, are examined in turn. In particular the authors discuss issues related to product quality control, tying arrangements, pricing, location and territories, advertising, and termination and renewals.
