The Highwayman Alfred Noyes 2013-12-12 The road was a ribbon of moonlight over the purple moor, And the highwayman came riding- Riding-riding- The highwayman came riding, up to the old inn-door. In Alfred Noyes's thrilling poem, charged with drama and tension, we ride with the highwayman and recoil from the terrible fate that befalls him and his sweetheart Bess, the landlord's daughter. The vivid imagery of the writing is matched by Charles Keeping's haunting illustrations which won him the Kate Greenaway Medal. This new edition features rescanned artwork to capture the breath-taking detail of Keeping's illustrations and a striking new cover.

A Chair for My Mother 25th Anniversary Edition Vera B. Williams 1984-08-01 After a fire destroys their home and possessions, Rosa, her mother, and grandmother save and save until they can afford to buy one big, comfortable chair that all three of them can enjoy. After their home is destroyed by a fire, Rosa, her mother and grandmother save their coins to buy a really comfortable chair for all to enjoy. "A superbly conceived picture book expressing the joyful spirit of a loving family."--Horn Book.

The World in the Head Robert Cummins 2010-01-28 The World in the Head collects the best of Robert Cummins' papers on mental representation and psychological explanation. Running through these papers are a pair of themes: that explaining the mind requires functional analysis, not subsumption under "psychological laws", and that the propositional attitudes—belief, desire, intention—and their interactions, while real, are not the key to understanding the mind at a fundamental level. Taking these ideas seriously puts considerable strain on standard conceptions of rationality and reasoning, on truth-conditional semantics, and on our interpretation of experimental evidence concerning cognitive development, learning and the evolution of mental traits and processes. The temptation to read the structure of mental states and their interactions off the structure of human language is powerful and seductive, but has created a widening gap between what most philosophers and social scientists take for granted about the mind, and the framework we need to make sense what an accelerating biology and neuroscience are telling us about brains. The challenge for the philosophy of mind is to devise a framework that accommodates these developments. This is the underlying motivation for the papers in this collection.

The Landlady (A Roald Dahl Short Story) Roald Dahl 2012-09-13 The Landlady is a brilliant gem of a short story from Roald Dahl, the master of the sting in the tail. In The Landlady, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature. Here, a young man in need of room meets a most accommodating landlady . . . The Landlady is taken from the short story collection Kiss Kiss, which includes ten other devious and shocking stories, featuring the wife who pawns the mink coat from her lover with unexpected results; the priceless piece of furniture that is the subject of a deceitful bargain; a wronged woman taking revenge on her dead husband, and others. 'Unnerving bedtime stories, subtle, proficient, hair-raising and done to a turn.' (San Francisco Chronicle) This story is also available as a Penguin digital audio download read by Tamsin Greig. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.
