A cool Jesus asks for parts of The Bible to be rewritten. Literary characters come alive and attempt something, which would make their authors, if they knew about it, scream in horror or roll over in their graves. Superior Justice Tom Hilpert 2012-08-15 THE CONFESSION THAT COULD KILL HIM... Jonah Borden is not your typical Lutheran pastor, and he takes pains to make sure everyone knows it. He's a tough-guy, thinks-he's-funny, rock-music-playing, gourmet-cooking, painfully-moderate-drinking, hard-boiled man of the cloth. He is even available for a bit of romance, under the right circumstances. Doug Norstad, a member of Jonah Borden's church, is arrested for a vigilante killing. Norstad shares his true alibi with Borden, under the privileged status of religious confession. Knowing now that the man is innocent, Borden must prove it somehow, without divulging his secret. Along the way he uncovers a twisted series of murders and cover ups. Before it is all over, Borden himself has been bribed, beaten, shot, and arrested for murder. Even worse, he may be falling in love. Set in the midst of the striking beauty of Minnesota's Lake Superior Coastline, Superior Justice will draw you in with its unique and quirky characters, and keep you guessing until the end.
