Disarming the Narcissist Wendy T. Behary 2013-07-01 Do you know someone who is overly arrogant, shows an extreme lack of empathy, or exhibits an inflated sense of entitlement? Do they exploit others, or engage in magical thinking? These are all traits of narcissistic personality disorder, and when it comes to dealing with narcissists, it can be difficult to get your point across. So how do you handle the narcissistic people in your life? You might interact with them in social or professional settings, and you might even love one—so ignoring them isn't really a practical solution. They're frustrating, and maybe even intimidating, but ultimately, you need to find a way of communicating effectively with them. Disarming the Narcissist, Second Edition, will show you how to move past the narcissist's defenses using compassionate, empathetic communication. You'll learn how narcissists view the world, how to navigate their coping styles, and why, oftentimes, it's sad and lonely being a narcissist. By learning to anticipate and avoid certain hot-button issues, you'll be able to relate to narcissists without triggering aggression. By validating some common narcissistic concerns, you'll also find out how to be heard in conversation with a narcissist. This book will help you learn to meet your own needs while side-stepping unproductive power struggles and senseless arguments with someone who is at the center of his or her own universe. This new edition also includes new chapters on dealing with narcissistic women, aggressive and abusive narcissists, strategies for safety, and the link between narcissism and sex addiction. Finally, you'll learn how to set limits with your narcissist and when it's time to draw the line on unacceptable behavior.

Zen in the Age of Anxiety Tim Burkett 2018-06-05 Best Spiritual Books of 2018 - Spirituality & Practice Zen wisdom for identifying the causes of mental and emotional anxiety epidemic in today's world and for finding the path to a peaceful heart in the midst of them--a path that leads directly through the center of the anxiety we're trying to escape. Wrestling with fear doesn't have to be a negative experience. This book offers an approach to life that unlocks a new way of thinking and being in the world, one that leads directly through the center of the anxieties we seek to avoid. Written in the style of an owner's manual, a guide to being human, Burkett focuses on areas of pain and anxiety as they tend to manifest for modern people: feelings of unworthiness, and issues surrounding sex, money, failure, and even death. Providing wisdom from Zen (channeled through his many experiences as a psychotherapist) and using language and metaphors from popular culture, he takes anxiety and teaches us to turn those fears into the building blocks of a fulfilling life.

The Light Inside the Dark John Tarrant 1999-11-03 In this landmark guide to the spiritual journey, respected Zen teacher and psychotherapist John Tarrant brings together ancient Eastern traditions and the Western passion for the soul. Using real-life stories, Zen tales, and Greek myths, The Light Inside the Dark shows how our darkest experiences can be the gates to wisdom and joy. Tarrant leads us through the inevitable descents of our journey--from the everyday world of work and family into the treasure cave of the interior life--from which we return with greater love of life's vivid, common gifts. Written with empathy and a poet's skill, The Light Inside the Dark is the freshest and most challenging work on the soul to be published in years.

Overcoming Destructive Anger Bernard Golden 2016-06-15 "Readers will be drawn to this book because their lives have been affected, even devastated, by anger. Job loss, divorce, family estrangement, substance abuse, and imprisonment are just some of the potential fallouts from uncontrolled anger. Many people do not know how to start making changes to turn destructive anger into healthy anger. This book offers understanding and tools for making those changes. In helping readers understand anger, psychologist Bernie Golden explains that while anger serves a purpose, it can easily become destructive. In this book he offers strategies to overcome anger that

Sophie's World Jostein Gaarder 2010-07-15 The international bestseller about life, the universe and everything. When 14-year-old Sophie encounters a mysterious mentor who introduces her to philosophy, mysteries deepen in her own life. Why does she keep getting postcards addressed to another girl? Who is the other girl? And who, for that matter, is Sophie herself? To solve the riddle, she uses her new knowledge of philosophy, but the truth is far stranger than she could have imagined. A phenomenal worldwide bestseller, *SOPHIE'S WORLD* sets out to draw teenagers into the world of Socrates, Descartes, Spinoza, Hegel and all the great philosophers. A brilliantly original and fascinating story with many twists and turns, it raises profound questions about the meaning of life and the origin of the universe.

Soulful Spirituality David G. Benner PhD 2011-03-01 Spirituality has an indispensable role to play in the expression of our humanity. However, spiritual practices can sometimes make us less, not more, authentically human. We may be good Christians, but we aren't good human beings. How can we ensure that our spiritual journey is conducted in a way that allows us to become fully alive and deeply human? David Benner has spent thirty-five years integrating psychology and spirituality. Here he presents an expansive, psychologically informed understanding of spirituality, probing the contrasts between soulful and soulless spirituality, deep and shallow religion, and healthy and unhealthy relationships with God to affirm the vital role of human development in the spiritual journey. Benner then suggests soulful practices for cultivating the Christian spiritual life. This book will appeal to readers seeking depth and substance in their quest for authentic spirituality. It will also be a helpful resource for mental health professionals and spiritual directors. Reflection questions and exercises for individual or group use are included at the end of each chapter.d

Anger Management for a Zen Mind Robert Hall 2020-10-19 Do you ever find your mind spiraling and jumping to conclusion after conclusion, leaving you stressed and overcome with anxiety and anger? Maybe you find yourself lashing out at the ones you love the most in a fit of rage, only to later realize that your reaction was unnecessary and hurtful to those around you? Perhaps you have decided enough is enough, and you no longer want anger and fear to rule your decision making and happiness? Well the good news is, you've come to the right place! *Anger Management for a Zen Mind* is packed with information on how to overcome your anger issues and live a more peaceful and happier lifestyle. I myself used to struggle greatly with feelings of anger controlling my behavior and actions. My behavior became so volatile that one day I decided I needed to make a change, or the people close to me would ultimately lose their patience with me. With that new outlook, I took to the research and buried myself in as much information as I could to help overcome my issues, as I sought to become a happier and mentally healthier person. I was disappointed to find that the information available on the topic of anger management is actually quite limited, and often a lot of it failed to truly focus on the core reason for why I was having these issues. While there was plenty of information for dealing with anger when it arose, there was little that truly helped me rid myself of the issue at its source. That's what brought me to writing this book. Inside *Anger Management for a Zen Mind*, discover: the danger that uncontrolled anger poses to people the importance of emotional intelligence practical anger management techniques a better understanding of what the source of your issues with anger

might be how to rid yourself of being controlled by anger for good And that is only the tip of the iceberg! This book has so much to offer you on the subject of anger management. Don't let anger rule another minute of your life. Grab this book today and get reading to start yourself on a new path to a Zen mindset and happiness.

Idea Man Paul Allen 2011-04-19 By his early thirties, Paul Allen was a world-famous billionaire—and that was just the beginning. In 2007 and 2008, *Time* named Paul Allen, the cofounder of Microsoft, one of the hundred most influential people in the world. Since he made his fortune, his impact has been felt in science, technology, business, medicine, sports, music, and philanthropy. His passion, curiosity, and intellectual rigor—combined with the resources to launch and support new initiatives—have literally changed the world. In 2009 Allen discovered that he had lymphoma, lending urgency to his desire to share his story for the first time. In this classic memoir, Allen explains how he has solved problems, what he's learned from his many endeavors—both the triumphs and the failures—and his compelling vision for the future. He reflects candidly on an extraordinary life. The book also features previously untold stories about everything from the true origins of Microsoft to Allen's role in the dawn of private space travel (with SpaceShipOne) and in discoveries at the frontiers of brain science. With honesty, humor, and insight, Allen tells the story of a life of ideas made real.

Overcoming Anger in Your Relationship W. Robert Nay 2010-04-22 Has your relationship become a battlefield? Does your partner's sarcasm, irritability, or hostility make you wonder where the closeness and trust have gone—and how much more you can take? If anger is poisoning your relationship, this book offers a powerful antidote. Anger expert W. Robert Nay provides clear-cut, practical techniques for responding productively to inappropriate expressions of anger. Learn how anger gains a foothold in a couple's life, why your usual responses may unwittingly reward bad behavior, and how to stand up for yourself in ways that promote lasting change. Self-quizzes and step-by-step suggestions for dealing with different types of angry behavior are illustrated with true-to-life examples. Grounded in psychological science, the strategies in this book are simple yet surprisingly effective. Try them for yourself—and for the person you love. See also Dr. Nay's *Taking Charge of Anger, Second Edition*, which helps you understand and manage destructive anger in all its forms, and *The Anger Management Workbook: Use the STOP Method to Replace Destructive Responses with Constructive Behavior*, which builds core anger management skills using interactive exercises.

Dangerous Bond Gemma Halliday 2016-04-05 From *New York Times* and *USA Today* bestselling author Gemma Halliday... Her name is Bond. Jamie Bond. And danger follows her everywhere... As a private investigator, Jamie Bond thought she had seen every sort of cheating-spouse case imaginable. That is until she's hired by a wife who's afraid her husband is cheating...on his diet. Rodger Claremont lost mega-pounds eating sandwiches from the Hoagies chain and subsequently became their celebrity spokesman. A position his wife fears he'll quickly lose if the pounds come back on. But what starts as a simple case of following a potentially unfaithful (to his diet) husband, turns deadly when Jamie finds Rodger murdered in his own home. Was the wife afraid of losing her sandwich fortune? Was it a competing fast-food chain out for revenge? Or did Rodger's friendship with a shady rapper named Heavy Cash have anything to do with it? Jamie vows to get to the bottom of it, even if it means stepping on the toes of the investigating assistant district attorney, Aiden Prince—a man Jamie could easily find herself falling for despite her budding attraction to her best friend, photographer Danny Flynn. Caught between two men, Jamie finds herself road-tripping to Vegas, babysitting a pair of Senior Sleuths, searching for a missing ex-boyfriend, and tracking down a cold-blooded killer...who threatens to strike again! *The Jamie Bond Mysteries: Unbreakable Bond (book #1) Secret Bond (book #2) Lethal Bond (book #3) Dangerous Bond (book #4) Fatal Bond (book #5) Deadly Bond (book #6)* Here's what critics are saying about Gemma Halliday's books: "A saucy combination of romance and suspense that is simply irresistible." —*Chicago Tribune* "Stylish... nonstop action...guaranteed to keep chick lit and mystery fans happy!" —*Publishers' Weekly*, starred review "Smart, funny and snappy... the perfect beach read!" —*Fresh Fiction*

The Optimist Creed Christian D. Larson 2012-05-24 The first-ever collection of writings by Christian D. Larson, author of the famous "Optimist Creed" and one of the twentieth-century's pioneers of motivational thought. Contemporary research has shown that optimistic people experience longer and healthier lives, better relationships, and higher incomes. Generations before such findings, however, inspirational writer Christian D. Larson showed an amazing grasp of the life-changing power of gratitude and optimism. Today, Larson is known worldwide for his powerful meditation, "The Optimist Creed," and other classics of spiritual living. But no single volume has collected his greatest writings. Here, at last, is a long-overdue anthology that makes Larson's foundational writings available to the countless readers who already know his name and work. Like no one else of his day, Larson understood the metaphysical and psychological dimensions of grateful living – or, as he famously put it, "an attitude of gratitude." Affirmative thought, Larson reasoned, sets in motion unseen forces, both spiritual and psychical, and aids in manifesting our desires. *The Optimist Creed* features complete editions of Larson's most deeply affecting works, each redesigned and reset. It contains: *The Pathway of Roses; Your Forces and How to Use Them* (the work that features his original "Optimist Creed"); *Mastery of Self; The Ideal Made Real; and Just Be Glad.*

Healing the Angry Brain Ronald Potter-Efron 2012-04-01 Do you find yourself: • Becoming so angry you have trouble

thinking? • Acting impulsively during angry outbursts? • Getting so mad that you feel out of control of your actions? If these strong, sudden bursts of anger sound all too familiar, you know the impact they have over your life. Over time, these responses can actually hard-wire our brains to respond angrily in situations that normally wouldn't cause us to lose our cool. These anger pathways in the brain can eventually disrupt your work, strain your relationships, and even damage your health. Written by anger management expert Ronald Potter-Efron, *Healing the Angry Brain* can help you short-circuit the anger cycle and learn to calmly handle even the most stressful interactions. You will learn which areas of your brain are causing your reactions and discover how to take control of your emotions by rewiring your brain for greater patience and perspective. This fascinating, scientific approach to anger management will yield long-term results, helping you develop greater empathy and put effective conflict resolution skills into practice for years to come.

Anger Management Workbook for Men Aaron Karmin 2017-08-07 *Anger Management Workbook for Men: Take Control of Your Anger and Master Your Emotions* By Aaron Karmin

Bring Me the Rhinoceros John Tarrant 2008-11-11 *Bring Me the Rhinoceros* is an unusual guide to happiness and a can opener for your thinking. For fifteen hundred years, Zen koans have been passed down through generations of masters, usually in private encounters between teacher and student. This book deftly retells more than a dozen traditional koans, which are partly paradoxical questions dangerous to your beliefs and partly treasure boxes of ancient wisdom. Koans show that you don't have to impress people or change into an improved, more polished version of yourself. Instead you can find happiness by unbuilding, unmaking, throwing overboard, and generally subverting unhappiness. John Tarrant brings the heart of the koan tradition out into the open, reminding us that the old wisdom remains as vital as ever, a deep resource available to anyone in any place or time.

Hyperfocus Chris Bailey 2018-08-28 *A practical guide to managing your attention--the most powerful resource you have to get stuff done, become more creative, and live a meaningful life* Our attention has never been as overwhelmed as it is today. Many of us recognize that our brains struggle to multitask. Despite this, we feel compelled to do so anyway while we fill each moment of our lives to the brim with mindless distraction. *Hyperfocus* provides profound insights into how you can best take charge of your attention to achieve a greater sense of purpose and productivity throughout the day. The most recent neuroscientific research reveals that our brain has two powerful modes that can be unlocked when we use our attention effectively: a focused mode (hyperfocus), which is the foundation for being highly productive, and a creative mode (scatterfocus), which enables us to connect ideas in novel ways. *Hyperfocus* helps you access each of the two mental modes so you can concentrate more deeply, think more clearly, and work and live more deliberately every day. Chris Bailey examines such topics such as: • identifying and dealing with the four key types of distraction and interruption; • establishing a clear physical and mental environment in which to work; • controlling motivation and working fewer hours to become more productive; • taking time-outs with intention; • multitasking strategically; and • learning when to pay attention and when to let your mind wander wherever it wants to. By transforming how you think about your attention, *Hyperfocus* reveals that the more effectively you learn to take charge of it, the better you'll be able to manage every aspect of your life.

Zen and the Art of Motorcycle Maintenance Robert M. Pirsig 2009-04-21 **THE CLASSIC BOOK THAT HAS INSPIRED MILLIONS** A penetrating examination of how we live and how to live better Few books transform a generation and then establish themselves as touchstones for the generations that follow. *Zen and the Art of Motorcycle Maintenance* is one such book. This modern epic of a man's search for meaning became an instant bestseller on publication in 1974, acclaimed as one of the most exciting books in the history of American letters. It continues to inspire millions. A narration of a summer motorcycle trip undertaken by a father and his son, *Zen and the Art of Motorcycle Maintenance* becomes a personal and philosophical odyssey into fundamental questions on how to live. The narrator's relationship with his son leads to a powerful self-reckoning; the craft of motorcycle maintenance leads to an austere beautiful process for reconciling science, religion, and humanism. Resonant with the confusions of existence, this classic is a touching and transcendent book of life. This new edition contains an interview with Pirsig and letters and documents detailing how this extraordinary book came to be.

The Daily Show (The Book) Chris Smith 2016-11-22 The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, Steve Carell, Lewis Black, Jessica Williams, John Hodgman, and Larry Wilmore—plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program hosted by Craig Kilborn to Jon Stewart's long reign to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, Jon Stewart's emotional monologue in the wake of 9/11, his infamous confrontation on *Crossfire*, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, the *Indecisions*, *Mess O'Potamia*, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Anger Management For Dummies W. Doyle Gentry 2011-03-01

Book of Haikus Jack Kerouac 2013-04-01 Highlighting a lesser-known aspect of one of America's most influential authors, this new collection displays Jack Kerouac's interest in and mastery of haiku. Experimenting with this compact poetic genre throughout his career, Kerouac often included haiku in novels, correspondence, notebooks, journals, sketchbooks, and recordings. In this collection, Kerouac scholar Regina Weinreich supplements an incomplete draft of a haiku manuscript found in Kerouac's archives with a generous selection of Kerouac's other haiku, from both published and unpublished sources. With more than 500 poems, this is a must-have volume for Kerouac enthusiasts everywhere.

Spirituality and the Awakening Self David G. Benner 2012-02-01 Presents psychological commentary on the spiritual development of the self, claiming that the maturation of the self is founded in Christian spirituality.

Beyond Anger: A Guide for Men Thomas J. Harbin 2018-07-31 A revised and updated edition of the popular self-help book for men that addresses contemporary issues and how they impact the way men deal with anger Men tend to express their anger differently than women do. Research shows men are often more violent and less willing to confront and deal with their emotions than women. Written by a psychologist who specializes in the treatment of male rage, *Beyond Anger* shows the angry--and miserable--man how to change his life and relationships for the better. This book helps men understand their anger by explaining what the specific symptoms of chronic anger are and by showing angry men how their actions negatively affect family, friends, and coworkers. It helps men control violent feelings by using simple exercises--developed especially for men--to identify when and why anger occurs and by helping them form new habits to prevent anger before it starts. Women, too, will learn essential strategies for understanding and helping the angry men in their lives. *Beyond Anger* is honest, tough, and real. In this revised edition, Harbin will update references throughout and discuss new topics such as the role of the internet and social media in fueling anger and how to protect yourself against these pitfalls, as well as a discussion on anger and aging, the political landscape and anger, PTSD, a brand-new section on preventing relapse into anger, and many other relevant, timely topics.

Literary New York Susan Edmiston 1991 Visits the homes of literary figures since Washington Irving's day

The Cow in the Parking Lot: A Zen Approach to Overcoming Anger Susan Edmiston 2010-06-24 Don't get mad. Get calm. Ask yourself: "Do I really want to be angry?" Leonard Scheff, a trial attorney who used anger to fuel his courtroom persona, realized the answer had to be no. Anger is toxic. Anger is in the eyes of the beholder. Using simple Buddhist principles and applying them in a way that is easy for non-Buddhists to understand and put into practice, Scheff and Susan Edmiston have created an interactive book that helps readers change perspective, step-by-step, so that they can replace the anger in their lives with newfound happiness. Based on the Transforming Anger workshop Shceff created, The Cow in the Parking Lot shows how anger is based on unmet demands, from the reasonable (we want love from our partner) to the irrational (we want respect from a total stranger) to the impossible (we want someone to fix everything in our life). The authors show how, once we identify our real unmet demands, we can dissolve the anger. The same is true for our "buttons"—once we understand them, we can defuse what happens when they're pushed. We learn to laugh at ourselves, a critical early step in changing angry behavior. We learn how to deal with the anger of others, and ultimately how to transform anger into compassion. And finally, we learn the liberating truth: Only you can make yourself angry.

Stoner Meditation Withered Tree 2013-12 Some advanced Stoners have achieved a low-level enlightenment (samadhi), but discover that living in the non-ordinary world is problematic, when confronting the straight-ordinary world. Many beginner Stoners are confused how best to approach psychedelics (including marijuana). And almost all trippers discover we have to compete with endless mind-chatter, and emotional overload during our Stoner experiences. And most of all, we wonder why most of the the wondrous insights disappear when we come down... With over 40 years of psychedelic experience that includes all types of psychedelics, we felt our writing this book could help demystify the entheogen experience. There are detailed discussions on how to trip, meditate, and how to retain insights and stabilize realizations. We've also included exercises that can lead directly to transcendent experience, and some true stories. This is NOT a book on religion - Stoner Meditation demands that we take responsibility for our actions, and learn from direct experience. Psychedelics are our spiritual guides, meditation is for clarity and balance of mind. Enter the wizard world where the combination of psychedelics and meditation creates profound awareness - Stoner Meditation. All profits, after expenses, are donated to charity.

Rage Ronald Potter-Efron 2010-03 This new book from anger expert Potter-Efron offers powerful, emergency help to anyone whose extreme and volatile rages cause him or her to lose control of emotions, behaviors, and even conscious awareness--causing sometimes irreparable emotional and physical harm to themselves, their loved ones, and, occasionally, to innocent by-standers....

Anger Management Essentials Anita Avedian 2014-12-26 Anger Management Essentials is a workbook to help people with anger issues to manage their aggressive behavior. While anger is a normal emotion, aggressive behavior is what we really want to manage since it is often emotionally or physically harmful. Why do we call it an anger management program and not aggressive management? We do so because people know to look for anger management - since the phrase has become widely recognized in our culture. Though the material in this book is best used with a certified anger management counselor, most of the worksheets are self-explanatory, and thus could be used as a self-help workbook. Many people have the misperception that an anger management program is for very angry people - ones who punch holes through walls or break items, and get into fits of rage. What may come as a surprise, however, is that anger management is helpful for many people, since we all experience moments of irritability and frustration. Additionally, anger management includes effective communication and active listening skills, both which can be used in every day life. The author, Anita Avedian, Licensed Marriage and Family Therapist, had a vision to design an anger management program that could be customized for every reader, focusing primarily on the areas where improvement in dealing with anger is most needed. Ms. Avedian is an authorized trainer and supervisor with the National Anger Management Association (NAMA). She has been facilitating anger management groups and individual sessions for over 15 years. Having worked with court-ordered, probation-required, partner-recommended, work-required, and self-referred individuals, she has designed a program that is helpful in these varied situations. Most anger management programs are designed to last 26 weeks, however this

book provides ample tools and skills to be structured into a course up to 52 weeks long, consistent with some court orders. The content can be personalized to suit your individual needs. The workbook covers areas that both directly and indirectly impact one's anger. Stress Management, for example, is a key focus since the more stressors one has, the more likely one is to become angry. Another area covered in the workbook is Emotional Intelligence, due to the high correlation between lower emotional intelligence levels and a greater number of angry episodes. Other topics include Communication and Listening Skills, Developing Healthy Relationships and Boundaries, as well as Letting Go and Forgiveness. Anger Management Essentials is for those interested in managing aggressive behavior, and living a more fulfilling and peaceful life.

Nevada Imogen Binnie 2022-06-09 Maria, a trans woman in her thirties, is going nowhere. She spends her aimless days working in a New York bookstore, trying to remain true to a punk ethos while drinking herself into a stupor and having a variety of listless and confusing sexual encounters. After her girlfriend cheats on her, Maria steals her car and heads for the Pacific, embarking on her version of the Great American Road Trip. Along the way she stops in Reno, Nevada, and meets James, a young man who works in the local Wal-Mart. Maria recognizes elements of her younger self in James and the pair quickly form an unlikely but powerful connection, one that will have big implications for them both. Nevada is a hilarious, groundbreaking cult classic from Imogen Binnie that inspired a whole literary movement, and is now published in the UK for the very first time. Part of the Picador Collection, a new series showcasing the best of modern literature.

Think Like a Monk Jay Shetty 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his résumé, he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in the ashram, Think Like a Monk reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

ACT on Life Not on Anger Georg H. Eifert 2006-03-03 Drop the Rope in Your Tug-of-War with Anger If you've tried to control problem anger before with little success, this book offers you a fundamentally new approach and new hope. Instead of struggling even harder to manage or eliminate your anger, you can stop anger feelings from determining who you are and how you live your life. Based on a revolutionary psychological approach called acceptance and commitment therapy (ACT), the techniques in ACT on Life Not on Anger can help you let go of anger and start living your life to the fullest. Your path begins as you learn to accept your angry feelings as they occur, without judging or trying to manage them. Then, using techniques based in mindfulness practice, you'll discover how to observe your feelings of anger without acting on them. Value-identification exercises help you figure out what truly matters to you so that you can commit to short- and long-term goals that turn your values into reality. In the process, anger will lose power over your life--and, amazingly, you'll gain control over your life by simply letting go of your angry feelings.

Prayers from the Parking Lot Mary Carver 2022-08-09 Raise your hand if you've ever hidden in your car. Just for a moment, just long enough to catch your breath. You're not alone! Moms everywhere are sitting on park benches and bleachers, in minivans and bus stops, at the baseball field, the dance studio, or in line at the grocery store. And we are exhausted. Moms don't need more

information, instructions, expectations, or responsibilities. Instead, you need something to put your mind and heart at ease. You need a reminder that everything you're anxious about is in God's hands. And you need it in small doses you can fit into your schedule--even if that means a few stolen minutes in the car! Prayers from the Parking Lot meets you where you are--overscheduled and overwhelmed. Perfect for reading while you're on the go, these to-the-point devotions and prayers are topically arranged so you can go straight to the issue you're facing right now. If you're looking for understanding and encouragement as you navigate your busy days, this little book will yield big results.
